Leadership at GHRU

CHANCELLOR'S MESSAGE

In 25 years, 19 educational institutes, 4 universities, 6 cities each bespeaking tale of educational excellence aimed at creating knowledgeable individuals, skilled leaders and ethical humans. This excellence is the brainchild of the chairman of the group, the young and dynamic visionary Shri Sunil Raisonni.

In his own words:

“Education is the most powerful weapon which you can use to change the world,” says Nelson Mandela. Education is the first step for people to gain the knowledge, critical thinking, and empowerment they need to make this world a better place. Our higher education system is often censured in multi-dimensions for its failure to inculcate creativity, competence and innovation in the students. National Education policy 2020, envisaged on the foundational pillars of Access, Equity, Quality, Affordability and Accountability, aims at transforming India into a vibrant knowledge society and global knowledge superpower by making both school and college education more holistic, flexible, multidisciplinary, suited to 21st century needs and aimed at bringing out the unique capabilities of each student. This is possible when we give equal importance to the pillars of NEP with a focus on best practices to be shared and implemented. I am pleased to learn that this young G H Raisonni University has started implementing most of the initiatives of NEP 2020 in a phased and transparent manner. They have been implementing some of the guidelines issued by UGC from time to time. I am glad to learn that this university strongly believes in building a community of perpetual learners by enabling them to look beyond their abilities and achieve what they assume is impossible. This university has several opportunities for nurturing your abilities, challenging cognizance and gaining competence. Wishing you the Best !

Mr. Sunil Raisonni,
Founder & Chancellor

PATRONS'S MESSAGE

An impeccable administrator is pertinent for a well-managed institute. This is verbatim applicable to the Patron Mrs. Shobha Raisonni.

In her words:

“Education is not preparation for life; education is life itself”. This is how I witness growth in the preeminent education hub in the region, the G H Raisonni University. I believe the students to continue to enhance their thirst of knowledge to imbibe information, instill education and learn on the go. It is the dynamics of the readily altering world and focus-driven faculty that makes lifelong learners out of the students. And, we at the GHRU are proud to have the dedicated and diligent staff.

We are committed to creating responsible citizens who are the epitome of the highest ethics and social conduct. Undoubtedly, we are fully equipped and motivated to nurture 'Karma Yogis'. And, our strategy is governed by 4 major objectives, students' satisfaction, excellence in teaching, outstanding research and social responsibility. Our mantra is Learn. Research. Repeat.

My best wishes to the students for a bright future.

Mrs. Shobha Raisonni

VICE CHANCELLOR'S MESSAGE

A Vice Chancellor is the soul of the University. With Dr. Meena Rajesh, an educator with immaculate leadership skills we have instilled life in our institute.

In her words

Dear Students, Faculty, and Esteemed Members of the G H Raisonni University Community, As we reflect on the academic year 2023-24, I am immensely proud to share with you the remarkable achievements and milestones that our university has accomplished. This year has been a testament to our unwavering commitment to excellence, innovation, and holistic development.

One of the significant highlights of this year is the prestigious ITBI (Innovation and Technology Business Incubator) grant of Rs. 5 crore awarded to our university. This grant is a recognition of our relentless pursuit of fostering an entrepreneurial ecosystem and nurturing innovative ideas. With this funding, we aim to provide robust support to budding entrepreneurs, facilitating the transformation of innovative concepts into successful ventures.

Furthermore, I am delighted to announce that our university has been selected as a mentor institution in the Institution's Innovation Council (IIC). This prestigious recognition underscores our leadership in promoting innovation and entrepreneurship across academic institutions. As a mentor, we are committed to sharing our expertise, resources, and best practices to elevate the standards of innovation and entrepreneurship in the academic community.

Our academic achievements continue to soar, with over 275 students successfully passing the NPTEL (National Programme on Technology Enhanced Learning) examination. This accomplishment is a testament to the hard work and dedication of our students and faculty. It reflects our commitment to providing high-quality education and ensuring our students are well-prepared to meet the challenges of the ever-evolving technological landscape.

In addition to academic excellence, our students have also showcased their talents and sportsmanship on national platforms. This year, several of our students participated in national-level sports tournaments, bringing laurels to the university. Their dedication, perseverance, and sportsmanship are truly commendable and inspire us all.

These achievements are just a few highlights of what has been an extraordinary year for G H Raisonni University. We have also seen advancements in research, the introduction of

new academic programs, and the strengthening of our community engagement initiatives. Our faculty members have continued to excel in their respective fields, contributing to the body of knowledge through research and publications.

As we celebrate these accomplishments, I extend my heartfelt gratitude to our dedicated faculty, staff, and students for their unwavering commitment and hard work. I also thank our partners, alumni, and well-wishers for their continuous support and encouragement.

Looking ahead, I am confident that G H Raisonni University will continue to achieve new heights and set benchmarks in education, research, and innovation. Together, let us continue to strive for excellence and make a positive impact on society.

Dr. Meena Rajesh
Vice Chancellor, GHRUS.

REGISTRAR'S MESSAGE

“Education is not preparation for life; education is life itself” with these words I take pride in getting myself associated with G H Raisonni University, that has emerged as one of the distinguished Educational Hub in the region. I believe that rigors of the contemporary world require professionals not to end their quest for knowledge along with their stay in the campus. The dynamics of the fast-changing world urges the academicians to give the right impetus for making life-long learners out of students. Our strategy is governed by 4 major goals, excellent teaching, students' satisfaction, outstanding research and social responsibility.

To achieve international standards and provide accredited academic programs. Thus our academic curriculum is designed to ensure continued teaching, learning, research and innovation. The basic facilities available on the campus include State of the art Classrooms, administrative block, Faculty Enclave, Library, Student Hostels, Wi-Fi campus, Huge playground.

I convey my best wishes and sincerely hope that the students will make the best use of the opportunities to become excellent professionals, entrepreneurs and great human beings.

Dr. Shriram Joshi

Registrar, GHRUS.

International Conference on Sustainable Innovations in Science, Engineering, and Technology (ICSISE-2024) on May 3rd and 4th, 2024.

The School of Engineering and Technology at G H Raisonni University orchestrated a momentous event by successfully hosting the International Conference on Sustainable Innovations in Science, Engineering, and Technology (ICSISE-2024) on May 3rd and 4th, 2024.

Inauguration and Keynote Speakers: The conference commenced with a grand inauguration ceremony graced by Dr. Manish Kurhekar, Head of the Department of Computer Science & Engineering at Visvesvaraya National Institute of Technology (VNIT), Nagpur. Dr. Kurhekar inaugurated the event and delivered an insightful speech on the advancements in New Technology in AI. The conference boasted an esteemed lineup of keynote speakers who shared their expertise and research contributions:

Dr. Kumbhalkar's presentation provided insights into real-world applications, challenges, and opportunities associated with the integration of IoT and AI/ML, offering valuable guidance for researchers and practitioners in the field.

Dr. Agrwal, representing M/s Bajaj Steel Industries Ltd., MIDC, Hingna, Nagpur, addressed the imperative of sustainable technology solutions for the common person.

He underscored the importance of developing eco-friendly, affordable technologies that can improve livelihoods, promote environmental conservation, and address pressing societal needs.

Dr. Agrwal's presentation showcased innovative approaches and case studies demonstrating the feasibility and impact of sustainable technologies in diverse contexts, inspiring attendees to prioritize sustainability in their research and development endeavors.

Dr. Valentina Emilia Balas the Head of the Intelligent Systems Research Centre at Aurel Vlaicu University of Arad, Romania, focused on fostering innovation in both urban and rural areas.

She highlighted the significance of leveraging technology to address the unique challenges and opportunities faced by urban and rural communities, aiming to enhance quality of life, promote economic development, and ensure inclusivity. She presented explored strategies for implementing smart solutions, digital infrastructure, and community engagement initiatives to create sustainable, resilient environments that cater to the needs of diverse populations.

Technical Sessions and Presentations: The conference featured a total of 6 technical sessions, during which 87 technical papers and 48 posters were presented. These presentations encapsulated a diverse array of topics spanning across science, engineering, and technology, showcasing groundbreaking research and innovative solutions.

Acknowledgements: The success of ICSISE-2024 wouldn't have been possible without the

support and patronage of esteemed individuals. The organizers extend their heartfelt gratitude to: Chief Patron: Hon'ble Shri Sunilji Raisoni (Chairman, RGI Group)

Patron: Shri Shreyas Raisoni (Executive Director, RGI Group)

Honorary Chair: Dr. Meena Rajesh, Vice Chancellor, G H Raisoni University, Saikheda

Organizing Chair: Dr. Arvind Bodhe, Dean, School of Engineering & Technology, and Dr. Narshimha Chary, Dean, Research, G H Raisoni University.

Special thanks are also extended to the conference conveners: Dr. Samyak Parekar, Assistant Professor, Department of Civil Engineering, School of Engineering & Technology, and Dr. Rahul Khokale, Professor, Department of Computer Science Engineering, School of Engineering & Technology.

Conclusion: ICSISE-2024 emerged as a resounding success, fostering interdisciplinary collaboration, knowledge dissemination, and the exploration of sustainable solutions to global challenges. The conference provided a nurturing environment for participants to engage in meaningful discussions, gain valuable insights, and contribute to the advancement of science, engineering, and technology for a sustainable future. The School of Engineering and Technology at G H Raisoni University takes immense pride in hosting ICSISE-2024. The organizers express gratitude to all participants, speakers, sponsors, and organizing committee members for their invaluable contributions and support. The resounding success of the conference reaffirms the university's commitment to promoting excellence in research and innovation for the betterment of society and the environment.

An online event on the topic "VIKSIT BHARAT @ 2047," Ministry of Education, New Delhi hosted by the Honorable Prime Minister Mr Narendra Modi, for higher education students and faculty members, was organized at the GHRUS Incubation Center by Dr. Sandeep Petkar, Dean of Innovation, and Dr. Narasimhachary, Dean of Research.

In his address to university students and faculty members on "Viksiti Bharat @2047," the Honorable Prime Minister shared a vision of an empowered and prosperous India in 2047. He emphasized the pivotal role of education in realizing this vision, urging students and educators to embrace innovation, entrepreneurship, and sustainability. He called upon the academic community to actively participate in nation-building efforts, emphasizing the importance of research, collaboration, and skill development in shaping the future of the nation.

Amrit Vimarsh Viksit Bharat @ 2047 National Defence Academy of Production, Ambazari, Nagpur (09 March 2024)

In the seminar on "Amrit Vimarsh Viksit Bharat @ 2047" at the National Defence Academy of Production, Ambazari, Nagpur, on 09 March 2024, Dr. Dash, Chief General Manager of Ordnance Factory Ambazari, Dr. Pramod M. Padole, Director of VNIT Nagpur, and Dr. Atul Narayan Vaidya, Director of NEERI (CSIR) Nagpur, will serve as the keynote speakers on the topic "Amrit Vimarsh Viksit Bharat @ 2047." Dr. Sandeep Petkar, Dean of Innovation, Incubation & Entrepreneurship, and Mr. Adheer Goyal, along with two students from each school of G H Raisonni University, Saikheda, attended the seminar

Guest Lecture

Department	International Relations Office
Topic	E-Guest Lecture on Motivation
Date & Time of interaction	18/07/2023 , 11:00 am onward
Name	Dream to Realty: Building a Successful Career
Organizer	Dr Suhasini Dafe
No of Participants	116
Guest details	Ms Rachana Wankhede, America's best Real Estate Professionals, Keller Williams Realty, Inc., California, USA
Objective of program	To motivate and inspire individuals, especially students, by showcasing real-life success stories and the journey of accomplished professionals who have turned their dreams into reality.
Outcome of the program	<ul style="list-style-type: none"> The event will create opportunities for participants to establish connections with the guest speakers, potentially leading to mentorship or collaboration. To inspire, guide, and empower participants in their pursuit of successful careers, offering practical advice, global perspectives, and valuable networking opportunities to support their journey from dream to reality.

Guest Lecture

On July 18, 2023, a transformative event took place at G.H. Raisoni University in Saikheda, Chhindwara, Madhya Pradesh. Ms. Rachana Wankhede, a distinguished professional in real estate from California, USA, graced the university with her wisdom and experience in an international e-Guest Lecture on "Dream to Realty: Building a Successful Career." Organized by Dr. Suhasini Dafe of the International Relations Office, the lecture captivated 116 university students from diverse academic backgrounds.

The seminar hall buzzed with anticipation as Ms. Rachana Wankhede took the virtual stage to share her remarkable journey from aspirations to accomplishments in the real estate industry. Her inspiring narrative offered valuable insights into the world of real estate and career development. She emphasized the importance of perseverance, determination, and a clear vision in transforming one's dreams into reality.

Throughout the lecture, Ms. Wankhede shared her professional experiences and challenges, offering practical guidance on building a successful career. Her advice on setting goals, acquiring skills, and making informed career decisions resonated with the attentive audience.

One of the most notable outcomes of the event was the networking opportunities it generated. Students had the chance to interact with Ms. Wankhede, expanding their professional networks and potentially forging connections for mentorship or future collaboration.

The lecture left a lasting impact on the 116 students in attendance. It not only inspired them to pursue their career dreams with passion but also equipped them with practical insights for effective career planning and development. The event empowered students to believe in their potential and to take actionable steps towards turning their aspirations into reality.

In conclusion, the International e-Guest Lecture on "Dream to Realty: Building a Successful Career" by Ms. Rachana Wankhede at G.H. Raisoni University was a transformative experience for all participants. It showcased the power of mentorship, international perspectives, and networking opportunities in guiding students towards successful and fulfilling careers. Dr. Suhasini Dafe and the International Relations Office deserve commendation for organizing this enlightening and inspiring event.

4.6 Activities Conducted Under Continuing Education 2023-24

Activity Name	Time Period	Target Audience	Activity Type	No. of registered Candidates
Soil Day Celebration	3 hrs	Students	Academics	145
Debate Competition	2 hrs	Students	Academics	50
Workshop on Spices	6 hrs	Students	Industry Visit/ IIC	150
Agricultural Hackathon	6 hrs	Students	Academics/ IIC	250
Educational Visit	6 Hrs	Students	Academics	120
Legal Aid Awareness Programme Report: Understanding the POCSO Act	3 hrs	Students	Academics	45
Women's Week Celebration Report: Promoting Gender Equality and Women's Empowerment	2 hrs	Students	Academics	50
Internship Orientation at High Court Legal Sub Committee	2 hrs	Students	Industry Visit	150
Investors Awareness Programme Report	2 hrs	Students	Workshop	76
Chandrayaan-3 Maha Quiz	2 Hrs	Students	Quiz Competition	50
Workshop on Women's Self-Defence	2 Hrs	Students	Workshop	
Swaad Fete 2024	Full Day	Students	Students fair	All SOL Students
T&P Workshop	2 Hrs	Students	Workshop	30
Legal Awareness Programme	3 Hrs	Students	Workshop	28
Legal Awareness Programme: Session on Anti-Ragging	3 Hrs	Students	Workshop	45
Supreme Court Visit	16 – 26 January 24	Students	Industrial Visit	75
Central Jail Visit	11 Feb Full day	Students	Industrial Visit	94
Felicitation Programme for Internship at HCL SSC	3 Hrs	Students	Quiz Competition	35
Intra-University Youth Parliament	Full Day	Students	Workshop	70
Regional Conference on Media-tion	Full Day	Students	Conference	25
Guest Lecture	1 days	50	Academics/ indus-	Each lecture

			trial/ entrepreneurship	50 participation
Educational Visit	1 days	250	Visiting to Institution	78
Coffee Cup By Akash Rahile , Mine Sandar, WCL, Nagpur	1 day	100	Job Opportunities, Entrepreneurship, Placement and Communication Skill	28
Industrial Visit	01 day o6 visits	250	Visiting to factory like	170

Activity Name	Time Period	Target Audience	Activity Type	No. of registered Candidates
Hands on Training	2 days	110	Basic concept and operation of HPLC and how to prepare samples solution for method development by HPLC	Each Training 95 participation
Guest Lecture	1days	390	Academics/ industrial/ entrepreneurship	Each lecture 200 participation
Educational Visit	1 days	115	Industrial visit and hospital	150
Pharma-Fest 3.0	3 days	420	Pharmacy week/ Pharmacist day/ Health day	410
Coffee Cup	1 Hr	Existing students	Alumni Connect	22
Overseas Education	1 Hr	Existing students	Guest Lecture	40
Industrial Visit	5 hrs	3 st year students	Industry Visit	75
FDP-2024	06 Days (one Week)	Faculties	FDP	15
Industrial Tour	04 Days	Students	Industrial Tour	00
ITR Filing	01 day	Students	Workshop	25
Emotional Intelligence	01 hr	Students	Guest Lecture	22

1. Vision

To pursue cutting-edge R & D in basic and applied sciences to provide technology-based solutions to grass root problems and significantly improve the quality of life through innovation and entrepreneurship.

Mission

- To carry out basic and applied research in emerging areas
- To translate scientific findings into technologies that can be applied to improve the quality of life.
- To create a vibrant, creative environment via amalgamation of bright minds, quality infrastructure & fruitful collaborations.

2. Research Promotion

As an endeavor to promote research culture amongst the students and staff of G H Raisoni University, we at CIRD have launched a quarterly newsletter – Curio Conspectus. The objective of this quarterly E-newsletter is to highlight recent discoveries along with their future prospects. The newsletter has various sections namely; “Research Pulse”, “Molecules in the Spotlight”, “Achievements” and “Upcoming Grants”. In “Research Pulse” section, we share noteworthy discoveries with high impact potential. Our feature segment, “Molecules in the Spotlight” introduces scientifically important molecules, their history and current science around them. In “Achievements” we proudly showcase the remarkable accomplishments of students, faculties and departments. In our final segment, “Upcoming Grants” we provide a glimpse into the opportunities that lie ahead.

3. Major activities conducted by CIRD

S. No.	Activity	Date	Place	Outcome
1	Delivered a talk on introduction to research and innovations to nursing and pharmacy students at G H Raisoni University (GHRU)	21.07.2023	GHRU	Students were made aware about research and innovations.
2	MOU signed with Mountain Men Wellness for research and development involving sport nutrition products	07.09.2023	Nagpur	MOU signed for sport nutrition product development

3	MOU signed with Ranjeet Deshmukh Dental College and Research Centre for research involving new product development	20.10.2023	GHRU Saikheda	MOU signed for innovative product development.
4	Delivered an invited talk on “Elevating ethical practices in pharmacy profession” at Dadasaheb Balpande College of Pharmacy (DBCOP), Nagpur	04.01.2024	DBCOP Nagpur	Students learnt about importance of ethics in pharmacy practice.
5	A fireside discussion on “Agro waste utilization for value added product development”- Dr. Sanjeev Patankar	05.03.2024	GHRU	Potential of agro waste utilization was discussed.
6	Conducted a 6-day faculty development program on Pedagogical Strategies for Fostering Innovations and Start-up: Empowering Educator	18.03.2024 to 23.03.2024	GHRU and Dadasaheb Balpande College of Pharmacy, Nagpur	Around 40 faculty members from various institutes gained valuable insights into novel pedagogical strategies to foster innovation and start-ups.

Memorandum of Understanding (MOU) signed

Duration (From- To)	Industry Name and location	Brief about collaboration
07-09-2023 to 07-09-2026	Mountain Men Wellness, Sadar, Nagpur	Sports nutrition product development
20-10-2023 to 20-10-2026	Ranjeet Deshmukh Dental College and Research Centre, Digdoh hills, Nagpur	Research and development co-operation, product development in areas of mutual interest.
01-05-2024 to 01-05-2029	MIT square group of companies, United Kingdom	To setup a RAISE (Research, Arts & Applications, Innovation, Science & Technology, and Entrepreneurship) centre of Excellence at GHRUS
10-05-2024 to 10-05-2027	Dadasaheb Balpande College of Pharmacy, Besa Road, Nagpur	To conduct programs related to teach learning and research and development co-operation, in areas of Pharmacy and allied health sciences.

SOAS Faculty awards 23-24

Sr. No	Name	Title/ Award/ Winner	Details of Achievements	Year	Name of School	Agency
1	Dr Kevin Gawali	Dr M.S. Swaminathan Award 2023	Awarded in 4 th international conference" innovation to transfer agriculture, horticulture and allied sector 21-23 june 2023	2023	SOAS	Isahrd 2023
2	Dr Kevin Gawali	Best Academician Award 2023	Awarded in 5th international conference	2023	SOAS	Girdha international conference 2023
3	Dr. Mukesh Rathod	Best Plant Breeder Award	5th International Conference on Global Insight on Research & Development in Agriculture	2023	SOAS	Agro Environment Education & farmers Welfare Society.
4	Pravin Gangasagar	Best Biotechnologist	Awarded in girdha international conference	2023	SOAS	Girdha international conference
5	Dr. Ashish Sarda	Young Professional Award	Awarded in girdha international conference	2023	SOAS	Girdha international conference
6	Shubhankar Tarafdar	Best Biotechnologist	Awarded in girdha international conference	2023	SOAS	Girdha international conference
7	Er. Rakesh Kumar Turkar	Best Research Scholar Award	5th international conference on global insight on research & development in agriculture	2023	SOAS	Agro Environment Education & farmers Welfare Society.
8	Dr. Pushpanjali Dhok	Best Plant Pathology Award	5th international conference on global insight on research & development in agriculture	Oct 2023	SOAS	Girdha international conference
9	Dr. Paresh Baviskar	Award Of Appreciation	National Conference, on "Sustainable Development through Agriculture Production, Protection & Policy Landscape for Crop Care"	January 2023	SOAS	AEEFWS Society, MVN University, Palwal and Just Agriculture Education Group,
10		Award Of Appreciation	3rd International Conference "Innovative Approaches in Agriculture, Horticulture & Allied Sciences"(IAAHAS 2023)	March 2023	SOAS	Sgt university, gurugram (icar, accredited), just agriculture education group, isahrd, chandigarh

11		Award Of Appreciation	4th International Conference, on "Innovations to Transform Agriculture, Horticulture and Allied Sectors"	June 2023	SOAS	Malla reddy university, hyderabad, isahrd, chandigarh, just agriculture education group
12		Award Of Appreciation	15 DAYS INTERNATIONAL Training cum Workshop Program on NEXT LEVEL APPROACH TOWARDS SMART FARMING, INNOVATIONS & AGRIPRENEURSHIP	Aug 2023	SOAS	Just agriculture education group & aeefws
13		Award Of Appreciation	5th International Conference on "Global Insights in Research and Development in Agriculture, Horticulture and Allied Sectors"(GIRDAHA- 2023)	Oct. 2023	SOAS	Agro Environmental Education & Farmers Welfare Society, (AEEFWS) Chandigarh G H Raisoni University, Saikheda (MP) and just Agriculture- the Magazine
14	Divakar Dange	Best Extension Scientist Award	5th international conference on "global insights in research and development in agriculture, horticulture and allied sectors"(girdaha-2023)	2023	SOAS	Agro Environmental Education & Farmers Welfare Society, (AEEFWS) Chandigarh
15	Dr. Sahab Singh Pippal	Young Entomologist Award	5th international conference on "global insights in research and development in agriculture, horticulture and allied sectors"(girdaha-2023)	2023	SOAS	Agro Environmental Education & Farmers Welfare Society, (AEEFWS) Chandigarh
16	Priya Satwadhwar	Award In Panel Discussion	Student engagement conclave organised by Directorate of students welfare and national agricultural higher education programme, CCS Haryana agricultural university, Hisar	2023	SOAS	CCS Haryana Agriculture University, Hisar
17	Shubhashish Rakshit	Young Agronomist Award	5th international conference on "global insights in research and development in agriculture, horticulture and allied sectors"(girdaha-2023)	2023	SOAS	Agro Environmental Education & Farmers Welfare Society, (AEEFWS) Chandigarh

18	Dr.DEVSHREE PANCHBHAI	Vergheese Kurien Award	5th international conference on "global insights in research and development in agriculture, horticulture and allied sectors"(girdaha-2023)	2023	SOAS	GRUS
19	Dr. MAHENDRA DAHERIYA	Best Master Thesis Award	Society of agriculture research and social development (sarsd), new delhi	2023	SOAS	Icaatas 2023
		Young Scientist Award	Agricultural & environmental technology development society (aetds)	2023	SOAS	Aetds 2023
20		Excellence Of Reseach Award	5th International Conference on "Global Insights in Research and Development in Agriculture, Horticulture and Allied Sectors"(GIR-DAHA- 2023)	2023	SOAS	Guru kashi university
21		Best Oral Presentation Award	35th national convention of agricultural engineers & national seminar on "emerging technology for advances in agriculture horticulture	2023	SOAS	Jnkvv jabalpur
22	Mr. Vinod Bharati	Award Of Appreciation	5th International Conference on "Global Insights in Research and Development in Agriculture, Horticulture and Allied Sectors"(GIR-DAHA- 2023)	2023	SOAS	Agro Environmental Education & Farmers Welfare Society, (AEEFWS) Chandigarh
23		Award Of Appreciation	National Conference, on "Sustainable Development through Agriculture Production, Protection & Policy Landscape for Crop Care"	January 2023	SOAS	AEEFWS Society, MVN University, Palwal and Just Agriculture Education Group,
24	Dr. Paresh Baviskar	Award Of Appreciation	6th International Conference On Holistic "Innovations And Technological Advances For Sustainable Agriculture " (HITASA- 2024)	March 2024	SOAS	School Of Agriculture (Soa), Sr University, Warangal In Association With Sri Konda Laxman Telangana State Horticultural University, Hyderabad & Just Agriculture Education Group

25		Award Of Appreciation	30 Days Winter School Training Program- Krishi Manthan	Jan 2024	SOAS	Utkarsh PDKV- Agribusiness Incubation Centre, Dr. Panjabrao Deshmukh Krishi Vidyapeeth, Akola & Just Agriculture Education Group

SOP Faculty Awards 23-24

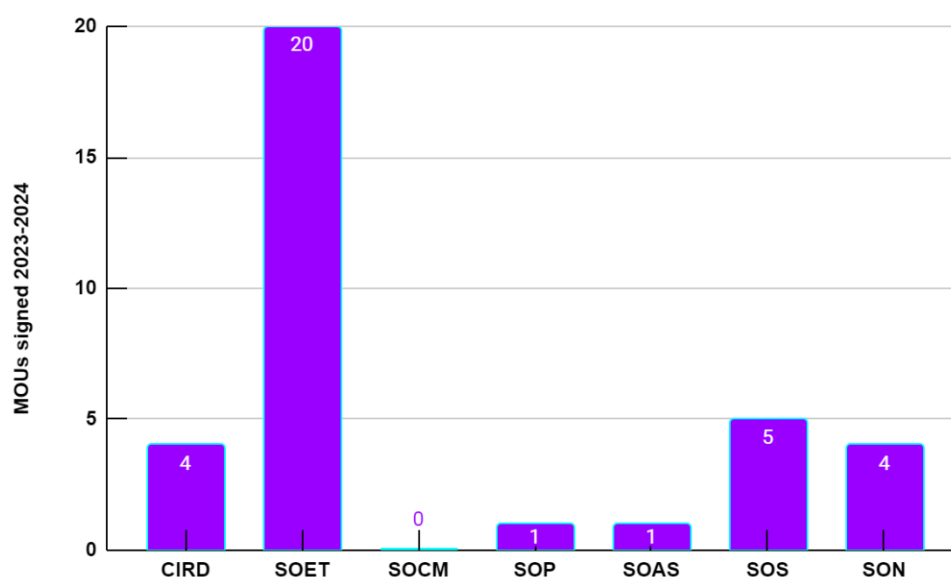

Sr. No.	Name	Title/award/winner	Details of Achievement	Year	Name of School / Department	Agency
1	Dr. D. C. Sahu	Key Note Speaker	2nd National Conference	Sep 2023	SOP	Pharmaceutical Education Society (PE-SOTs), New Delhi
2	Mrs. Pornima Patil	Successfully Passed.	NPTEL	2024	SOP	SWAYAM

SOL Faculty Awards 23-24

Sr. No.	Name	Title/award/winner	Details of Achievement	Year	Name of School / Department	Agency
1	Dr. Nitya Nand Pandey	Key Note Speaker	One Week Faculty Development Program on “Innovative Teaching Learning Pedagogy in Higher Education”	Oct 2023	SOL	Institute of & Legal Study, Sage University, Indore

MOUS signed by University 23-24

The year 2023-24 has been a landmark period for the University, characterized by significant strides in forging strategic partnerships through Memoranda of Understanding (MOUs). These collaborations have been instrumental in enhancing our academic, research, and community engagement endeavours. This report provides a comprehensive overview of the MOUs signed, their impacts, and the future directions we aim to pursue.

CIRD MOUs Signed for 2023-2024

Sr no	Collaborated Agency Name	Period of collaboration (no. Of years)	Date of mou	Sta-tus	SCHOOL
1	CSIR-CSMCRI, Bhavnagar	16/05/2023 to 15/05/2028	16/05/2023	Ac-tive	CIRD
3	Mountain Men Wellness, Nagpur	07/09/2023 to 06/09/2026	07/09/2023	Ac-tive	CIRD
4	Ranjeet Deshmukh Dental College	20/10/2023 to 19/10/2026	20/10/2023	Ac-tive	CIRD

School of Pharmacy MOUs 23-24

Sr no	Collaborated Agency Name	Period of collaboration (no. Of years)	Date of mou	Status	SCHOOL
1	Deolapar Govigyan Kendra	16-04-2024 to till date	16-04-2024	Project development/research	SOP

School of Nursing MOUs for 23-24

Sr no	Collaborated Agency Name	Period of collaboration (no. Of years)	Date of mou	Status	SCHOOL
1	Govt. Civil Hospital Pandhurna Mp	2023-24	11/10/2023	Clinical training for nursing studenst	SON
2	Govt. Mahtma Gandhi Mental Hospital Indore Mp	2022-23	09/09/2022	Clinical training for nursing studenst	SON
3	Shishu Vihar Jaishwal Hospital And Meternity Home Saoner Mh	2023-24	01/07/2023	Clinical training for nursing studenst	SON

4	Neha Nursing Home Saoner Mh	2023-24	25/07/2023	Clinical training for nursing student	SON
---	-----------------------------	---------	------------	---------------------------------------	-----

School of Science MOUs for 23-24

Sr no	Collaborated Agency Name	Period of collaboration (no. Of years)	Date of mou	Status	SCHOOL
1	Brillect Tech Solution Pvt.Ltd.	5 years	30/04/2024	Industrial visit, internship, guest lecture, workshop	SOS
2	Esonawa Innovations Private Limited	5 years	30/12/2023	Industrial visit, internship, guest lecture, workshop	SOS
3	Peaks Analytical & Training Centre	3 years	15/12/2022	Industrial visit, internship, guest lecture, workshop	SOS
4	Agreen Allied Services	3 years	03-01-21	Industrial visit, internship, guest lecture, workshop	SOS
5	Global Education	1 year	15/12/2022	Industrial visit, internship, guest lecture, workshop	SOS

School of Engineering and Technology MOUs for 23-24

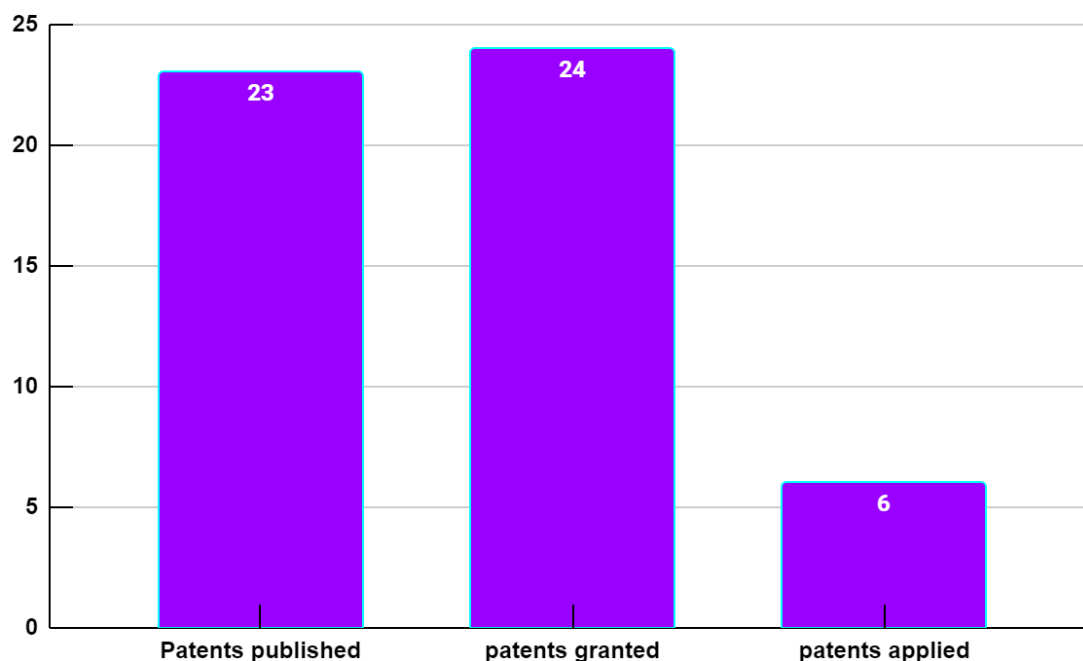

Sr no	Collaborated Agency Name	Period of collaboration (no. Of years)	Date of mou	Status	SCHOOL
1	Unitech Reclamation, Nagpur	17/05/2023 to 16/05/2026	17/05/2023	Current	SOET
2	Research association of masters of engineering (Conference, publication)	04/01/2024 to 03/01/2029	04/01/2024	Active	SOET
3	MARKITECHT, Nagpur (Training, internship and placement)	28/03/2024 to 27/03/2029	28/03/2024	Active	SOET
4	IPCONNEQT, (IPR, Internship, Guest Lecture, Workshop)	28/02/2022 to 28/02/2025	28/02/2022	Active	SOET
5	Intellectual Coolie Llp, Nagpur (IPR, Guest Lecture, Workshop)	14 /12/2021 to 14 /12/2025	14 /12/2021	Active	SOET
6	ANKHUB Technology Services, Nagpur	31/08/2021 to 31/08/2025	31/08/2021		SOET
7	Abhi Engg. Corporation Pvt Ltd., Nagpur	20/02 /2021 to 20/02 /2025	20/02 /2021	Industrial Visit , Internship, Guest Lecture, Workshop	SOET
8	G N Nikam Construction, Nagpur,	09/01/2021 to 09/01/2025	09/01/2021	Industrial visit , internship, guest lecture, workshop	SOET

9	New Era Conveyors Private Limited ,Nagpur	09/01/2021 to 09/01/2025	09/01/2021	Industrial visit , internship, guest lecture, workshop	SOET
10	Shri Consultants Saoner	03/03/2020 to 03/03/2024	03/03/2020	Industrial visit , internship, guest lecture, workshop	SOET
11	Moralis Tech Private ,Nagpur	30/12/2024 to 30/12/2020	30/12/2024	Internship, guest lecture, work-shop, training	SOET
12	Ace's Business Solution Nagpur	19/12/2020 to 19/12/2024	19/12/2020	Industrial visit , internship, guest lecture, workshop	SOET
13	Brainvision Solutions India Pvt. Ltd.	08/07/2020 to 08/07/2024	08/07/2020	Industrial visit , internship, guest lecture, workshop	SOET
14	Center For Creativity And Innovations Nagpur Saikheda	03/03/2020 to 03/03/2024	03/03/2020	Industrial visit, internship, guest lecture, workshop	SOET
15	Aps Microtech Private Limited, Nagpur	23/01/2020 to 23/01/2024	23/01/2020	Industrial visit , internship, guest lecture, workshop	SOET
16	Institute For Engineering Research And Publication, And School Of Engineering And Technology, Nagpur	14/02/2020 to 14/02/2024	14/02/2020	Publication of research –paper	SOET
17	Five Element Consulting Engineering's, Pune	30/12/2022 to 30/12/2025	30/12/2022	Internship, guest lecture, workshop	SOET
18	Unitech Reclamation, Nagpur	17/05/2023 to 16/05/2026	17/05/2023	Project development	SOET
19	Yashika Publication	18/01/2021 to till date	18/01/2021	Conference, publication	SOET
20	(Research Association Of Masters Of Engineering	04/01/2024 to till date	04/01/2024	Conference, publication	SOET

School of Agricultural Sciences MOUs for 23-24

Sr no	Collaborated Agency Name	Period of collaboration (no. Of years)	Date of mou	Status	SCHOOL
1	Hanu Cold Storage, Rithora, Chhindwara, MP	25-04-2024 to 25-04-2027	25-04-2024	Current	SOAS

PATENTS (filed/Granted/Published) 23-24

Patents published 23-24

Sr No	Name of In-ventors In-volved	School	Title of the Patent	Patent Applica-tion Number	Date of filing	Status	Type
1	Dr.Sandeep Petkar	SOET	Indian patent	202441002716A	13/01/2024	Published	Indian patent
2	Dr. Jatin Sa-darang	SOET	Integrated Sowing System With Fertilizer And Pesticide Spray Arrangement	406332001	01/02/24	Published	Design Patent
3	Dr. Manisha kawadkar	SOP	Advanced centri-fuge device	403046-001	26-12-2023	Published	Design Patent
4	Amol There	SOP	Indian Patent) An Artificial Intelligence Based System to Predict the Neurogenerative Disease Based on the Nervous System of the Person.	(App. No: 202211023894	Published on Date: 27/05/2022,	published	Indian Patent
5	Ms.Anmol Dhawande	SOP	Phytochemical evaluation of plants Tamarindus Indica and Averrhoa			Published	Indian Patent

			Bilimbi using sensors				
6	Ms. Mona Salwatkar	SOP	Analysis Of Advanced Bone Targeted Dual Functional Lipid Coated Drug Delivery System For Osteosarcoma Therapy	202321025126 A	:02/04/2023	Published	Patent
7	Mr. Vijendra Fulzele	SOP	A device for air pollution control and method for working thereof	202221070038	05-12-2022	under examination	device patent
8	Mr. Manish Baheti	SOP	Biochemical & Pharmacological investigations of Saffron and its combination with omega 3 fatty acids & co-enzyme Q10 on Amikacin induced nephro toxicity in rats	202321037139	13-10-2023	Published	Indian Patent
9	Mr. Manish Baheti	SOP	Machine Learning Models and Artificial Intelligence Frameworks in Prediction and Resuscitation of Cardiac Arrest	202341051189	01.09.2023	Published	Indian Patent
10	Ms. Heera Karemore	SOP	Design and Creation of Luliconazole- Loaded Niosomal Gel for Research on Effectiveness Against Fungus.	202311032226	06/05/2023	Published	Indian Patent
11	Ms. Heera Karemore	SOP	Novel Portable Electro Convulsimeter to Predict Convulsion.	384765001	25/04/2023	Published	Indian Patent
12	Ms Hemlata More	SOP	Novel Portable Electro Convulsimeter to Predict Convulsion.	384765001	25/04/2023	Published	Indian Patent
13	Mr. Sanjay Uchibagle	SOP	TRAFFIC SPEED MONITORING SYSTEM BY IOT	202441031265 A	26/04/2024	Published	Indian Patent

14	Mr. Sanjay Uchibagle	SOP	IDENTIFICATION OF PLANT DISEASE BY DEEP LEARNING MODELS	202441033551	26/04/2024	Published	Indian Patent
15	Ms. Deepika Devnani	SOP	Identification Of Plant Disease By Deep Learning Models		26/04/2024	Published	Indian Patent
16	Ms. Deepika Devnani	SOP	Traffic Speed Monitoring System By Iot		26/04/2024	Published	Indian Patent
17	Dr. Mahendra Daheriya	Soas	Hot Air Pneumatic Heating Machine	400485-001		PUBLISHED	GOVT. OF INDIA
18			Integrated Sowing System With Fertilizer And Pesticide Spray Arrangement	406332-001		PUBLISHED	GOVT. OF INDIA
19	Pof. Vidya Meshram	SOS	Traffic Speed monitoring system by IoT	TEMP/E-1/36679/2024-CHE	19/04/2024	PUBLISHED	GOVT. OF INDIA
20	Prof. Vidya Meshram	SOS	Identification of plant disease by deep learning models	TEMP/E-1/36679/2024-CHE	19/04/2024	PUBLISHED	GOVT. OF INDIA
21	Prof. Anju Naidu	SOS	Traffic Speed monitoring system by IoT	TEMP/E-1/36679/2024-CHE	19/04/2024	PUBLISHED	GOVT. OF INDIA
22	Prof. Anju Naidu	SOS	Identification of plant disease by deep learning models	TEMP/E-1/36679/2024-CHE	19/04/2024	PUBLISHED	GOVT. OF INDIA
23	Dr. Pavan G. Bhadang	SOCM	Customer Preference on QR code Notification Based Digital Marketing	202221002499	16/01/2022	In Process	Design patent

Granted Patents 23-24

Sr No	Name of Inventors Involved	School	Title of the Patent	Patent Application Number	Date of filing	Status	Type
1	Dr D C Sahu	SOP	Apparatus to Preserve Tissue sample in Pharmaceutical laboratory Equipment	6276941	10/05/2023	Granted	UK Design
2	Dr D C Sahu	SOP	Lightweight Portable	385545-001	04/05/2023	Granted	Indian

			Suction Pump for Pharmaceutical laboratory				Design Grant
3	Dr D C Sahu	SOP	Advanced Sterilization Device Used in Pharmaceutical Laboratory for Microbial Use	387198-001	27/05/2023	Granted	Indian Design Grant
4	Arvind Bodhe, Sandeep Kale, Nischal Mungale, Vikrant Vairagade, Minakshi Kale	SOET	Three-phase Underground Cable Fault Detector and Method Thereof	Patent no. 42767,	14/02/2022 and granted on 03/08/2023	Granted	Patent
5	Dr D C Sahu	SOP	A Formulation of Elaeo-carpus Ganitrus fruit with Anti-allergic and Anti-Hypersensitivity Activity	202023104470	Aug 2023	Granted	German patent grant
6	Dr D C Sahu	SOP	Development of Ofloxacin and Dexomethasone Microemulsion for management of secondarily infected Dermatoses	202023200796	14/03/2023	Granted	German patent grant
7	Dr D C Sahu	SOP	Multi Tablet Punch	6276152	19/04/2023	Granted	UK Design
8	Dr. Arvind Bodhe, Dr. Pragati Dethe, Mr. Anoop Vishwakarma	SOET	Human protective Case	364329-001	17/05/2022 and date of Granted 30/08/2023	Granted	Design Patent
9	Dr. Arvind Bodhe, Dr. Meena Rajesh, Dr. Pragati Dethe, Mr. Anoop Vishwakarma	SOET	Water Bottle	369493-001	20/08/2022 and date of Granted 23/02/2023	Granted	Design Patent
10	Mr. Manohar Golait	SOET	An automatic Patient Carrier	362216-001	8/4/2022 and published on 17/11/2023	Design accepted and Published	Design patent
11	D C SAHU	SOP	Advanced centrifuge device	403046-001	26-12-2024	Granted	Design Patent
12	Tabassum bano	SOP	Electroencephalographic monitoring system	380785-001	2023	Granted	Design patent
13	Shubhangi choudhari	SOP	Laboratory convulsimeter to predict convulsant	384765-001	25-04-2023	Granted	Design patent

			activity				
14	heera ka-remore	SOP	Laboratory convulsiometer to predict convulsant activity	384765-002	25-04-2024	Granted	Design patent
15	neelam Nehare	SOP	Laboratory convulsiometer to predict convulsant activity	384765-003	25-04-2025	Granted	Design patent
16	pooja Waware	SOP	Laboratory convulsiometer to predict convulsant activity	384765-004	25-04-2026	Granted	Design patent
17		SOP	Advan			Granted	
18	Sonu Gathe	SOP	Apparatus for sreening neuropsychological behavioral activity in animals	Design no-407130-001	09/02/2024	Granted	Design patent
19	Sonu Gathe	SOP	Rotarod Apparatus for monitoring muscle relaxant activity in mice	408583-001	23/02/2024	Granted	Design patent
20	Shubhangi choudhari	SOP	Nasal cavity and paranasal sinus cancer detection device	6305862	25/8/2023	Granted	Design patent
21	Dr.Raman Chandak	SOP	Vogel test Appaatus	384768-009	1/3/2024	Granted	Design patent
22	Ms.Mona Gajbhiye	SOP	Tablet Disintegration Testing Apparatus	381241-001	10/03/2023	Granted	Design patent
23	Mr. Manish Baheti	SOP	Smart Wearable Device For Monitoring The Activities Of Dementia Patients	Design no: 6304723	01.09.2023	Granted	UK Design
24	Mr. Vijendra Fulzele	SOP	Advanced Machine Learning System combating COVID-19 virus Detection, Spread, Prevention and Medical Assistance	2021103273	16th day of March 2022	GRANTED	AUSTRIALIAN PATENT

Patents Applied 23-24

Faculty development programs organized/attended 23-24

FDPs by SOET 23-24

Sr No	Name of Faculty	School	Attended/ Organised	Details of FDP/ Workshop/ STTP/ Training Programme etc
1	Mr. Ajay Mahawadiwar	SOET	Attended	1 day workshop on 'Emission control strategies in Thermal Power Plants' by OPJU, Raigarh, Jindal Power & IEEE on 31-10-2023.
2	Mr. Nitin Kumar Shrivastava	SOET	Attended	1 day workshop on Prayogshala - A workshop on Innovative Physics Experiments for School/College students" 25 April 2023
4	Mr. Nitin Kumar Shrivastava	SOET	Organized	1 day Workshop on "Azure and security fundamentals". Date: 14 June 2023"
5	Mr. Abhishek Kundu	SOET	Organized	1 day Workshop on "Azure and security fundamental". Date: 14 June 2023
8	Mr. Ajay Mahawadiwar	SOET	Attended	5 days FDP on Recent Advances in Mechanical Engineering' by D Y Patil Insti. of Tech. Pune 24-7-2023 to 28-7-2023
10	Mr. Ajay Mahawadiwar	SOET	Attended	5 days workshop on 'DRONE Design and Analysis using ANSYS Simulation Solutions' by SVNIT, Surat from 6 to 10-11-2023
12	Vishal Sharma	SOET	Attended	6-day FDP on Mastering Proposal Writing for Research Funding was organized by CIRD, GHRU from 12th June to 17th June 2023
13	Dr Sandeep Petkar	SOET	Attended	6-day FDP on Mastering Proposal Writing for Research Funding was organized by CIRD, GHRU from 12th June to 17th June 2023
14	Mr. Ravi H Gedam	SOET	Attended	Blockchain Technology & cryptocurrency 16

				MAY 2023 TO 23 MAY 2023
16	Mr.Ravi H Gedam	SOET	Attended	Constructive research methodology and research publication 23 SEP2023 TO 25 SEP 2023
17	Mr.Nitin Kumar Shrivastava	SOET	Attended	FDP Data Science in Engineering 5th June to 9th June, 2023
18	Mr.Nitin Kumar Shrivastava	SOET	Attended	FDP Design of IOT based system for contemporary application and their empowerment using data analytics .23/06/2023 to 26/06/2023
19	Mr. Abhishek Kundu	SOET	Attended	FDP on "Data Science in Engineering". Date: 5 June 2023 to 9 June 2023
20	Mr. Abhishek Kundu	SOET	Attended	FDP on "Recent Trends in Organic Devices". Date: 17 July 2023 to 22 July 2023
21	Mr. Abhishek Kundu	SOET	Attended	FDP on" INDUSTRY 4.0: GLOBAL OPPORTUNITIES AND CHALLENGES IN TECHNICAL EDUCATION", Date: 14 Aug 2023 to 21 Aug 2023
22	Shrikant A Thote	SOET	Attended	FDP: "Control and Power Management Strategies for Hybrid Microgrid"
23	Shrikant A Thote	SOET	Attended	FDP: Pedagogical Interventions in the Light of NEP 2020
24	Mr.Nitin Kumar Shrivastava	SOET	Attended	FDP"Recent Industry Trends and Technology in Cloud Computing" 15/05/2023 to 19/05/2023
25	Mr. Ashish Dhoke	SOET	Attended	one week National Level Interdisciplinary Short Term Training Program* On *Exploring Quality Research and its Societal Impact*
26	Dr. Arvind Bodhe	SOET	Attended	One week STTP on " Sustainable Solution to Solid Waste Management ", Organized by the National Institute of Technology, Patana, 04/09/2023 to 08/11/2023
27	Mr.Nitin Kumar Shrivastava	SOET	Attended	STTP :ChatGPT and Generative AI 11th Sep 2023 to 19th Sep 2023
28	Shrikant A Thote	SOET	Attended	STTP: Exploring Quality Research and its Societal Impact
29	Dr. Jatin Sadarang	SOET	Attended	Workshop cum FDP Smart Mobility: in Air and on Ground.
30	Mr. Abhishek Kundu	SOET	Attended	Workshop on "Chat GPT and generative AI". Date: 11 Sep 2023 to 19 Sep 2023
31	Mr. Ajay Mahawadiwar	SOET	Attended	5 days FDP on Role of IoT in Smart Systems & Infrastructure by OPJU, Raigarh 3-10-2023 to 7-10-2023
32	Dr. Arvind Bodhe	SOET	G H Raisonni University Saikheda	Exploring Tools Of Data Analysis For Business Intelligence

Guest Lecture

Sr No	Activity	Tital	Name of guest	Date
1	International E guest lecture	Dream to Reality: Building a Successful Career	Ms. Rachana Wankhade, America's Best Real Estate Professionals, Keller Williams Realty, Inc. USA	18 th July 2023 at 11 am (Indian Time) Seminar Hall, GHRU, Saikheda.
2	International E guest lecture	Introduction to Robotic Process Automation (RPA) and its use in IT and Business Processes	Mr. Rupesh Gaikwad, Senior Product Owner, Automation, OP Financial Group, Finland	01 September 2023; Time: 3:00 pm to 4:30 pm (Indian Time) Seminar Hall GHRUS

On July 18, 2023, a transformative event took place at G.H. Raisoni University in Saikheda, Chhindwara, Madhya Pradesh. Ms. Rachana Wankhede, a distinguished professional in real estate from California, USA, graced the university with her wisdom and experience in an international e-Guest Lecture on "Dream to Realty: Building a Successful Career." Organized by Dr. Suhasini Dafe of the International Relations Office, the lecture captivated 116 university students from diverse academic backgrounds.

Department	International Relations Office
Topic	E-Guest Lecture on Motivation
Date & Time of interaction	18/07/2023 , 11:00 am onward
Name	Dream to Realty: Building a Successful Career
Organizer	Dr Suhasini Dafe
No of Participants	116
Guest details	Ms Rachana Wankhede, America's best Real Estate Professionals, Keller Williams Realty, Inc., California, USA
Objective of program	To motivate and inspire individuals, especially students, by showcasing real-life success stories and the journey of accomplished professionals who have turned their dreams into reality.
Outcome of the program	<ul style="list-style-type: none"> The event will create opportunities for participants to establish connections with the guest speakers, potentially leading to mentorship or collaboration. To inspire, guide, and empower participants in their pursuit of successful careers, offering practical advice, global perspectives, and valuable networking opportunities to support their journey from dream to reality.

The seminar hall buzzed with anticipation as Ms. Rachana Wankhede took the virtual stage to share her remarkable journey from aspirations to accomplishments in the real estate industry. Her inspiring narrative offered valuable insights into the world of real estate and career development. She emphasized the importance of perseverance, determination, and a clear vision in transforming one's dreams into reality.

Throughout the lecture, Ms. Wankhede shared her professional experiences and challenges, offering practical guidance on building a successful career. Her advice on setting goals, acquiring skills, and making informed career decisions resonated with the attentive audience.

One of the most notable outcomes of the event was the networking opportunities it generated. Students had the chance to interact with Ms. Wankhede, expanding their professional networks and potentially forging connections for mentorship or future collaboration.

The lecture left a lasting impact on the 116 students in attendance. It not only inspired them to pursue their career dreams with passion but also equipped them with practical insights for effective career planning and development. The event empowered students to believe in their potential and to take actionable steps towards turning their aspirations into reality.

In conclusion, the International e-Guest Lecture on "Dream to Realty: Building a Successful Career" by Ms. Rachana Wankhede at G.H. Raisonni University was a transformative experience for all participants. It showcased the power of mentorship, international perspectives, and networking opportunities in guiding students towards successful and fulfilling careers. Dr. Suhasini Dafe and the International Relations Office deserve commendation for organizing this enlightening and inspiring event.

Ms. Rachana Wankhede
(America's Best Real Estate Professionals, Keller Williams Realty, Inc.)

International e-guest lecture on "Introduction to Robotic Process Automation (RPA) and its use in IT and Business Processes"

Department	International Relations Office
Topic	E-Guest Lecture on Motivation
Date & Time of interaction	18/07/2023 , 11:00 am onward
Name	Dream to Realty: Building a Successful Career
Organizer	Dr Suhasini Dafe
No of Participants	116
Guest details	Ms Rachana Wankhede, America's best Real Estate Professionals, Keller Williams Realty, Inc., California, USA
Objective of program	To motivate and inspire individuals, especially students, by showcasing real-life success stories and the journey of accomplished professionals who have turned their dreams into reality.
Outcome of the program	<ul style="list-style-type: none"> The event will create opportunities for participants to establish connections with the guest speakers, potentially leading to mentorship or collaboration. To inspire, guide, and empower participants in their pursuit of successful careers, offering practical advice, global perspectives, and valuable networking opportunities to support their journey from dream to reality.

The international e-guest lecture on "Introduction to Robotic Process Automation (RPA) and its use in IT and Business Processes" was successfully conducted on September 1, 2023, by Mr. Rupesh Gaikwad from OP Financial Group, Finland. This event was organized by Office of International Relations, G H Raisoni University, Saikheda in association with the School of Engineering and Technology G H Raisoni University, Saikheda.

The Guest lecture began with the formal introduction of Guest by Mr. Pravartan sir, Assistant Professor, Department of Arts, by welcoming of the guest and the briefs of the upcoming lecture.

The lecture began by Mr, Rupesh Gaikwad with a comprehensive introduction to RPA, covering its various types, historical context, and a precise definition. Mr. Gaikwad then elaborated on the significance of RPA in today's business landscape, highlighting its role in enhancing efficiency and reducing costs.

The session progressed to discuss the current tools and technologies used in RPA, providing

students with insights into the practical aspects of automation. Mr. Gaikwad detailed the components that constitute an RPA system and explained how these components work in concert. Real-world applications of RPA across diverse industries were showcased through case studies, enabling students to comprehend the versatility of RPA in optimizing business processes. Furthermore, the lecture provided valuable guidance on how students can embark on their RPA journey, explore career opportunities, and prepare for a future in this rapidly evolving field. The International Guest Lecture on Introduction to Robotic Process Automation (RPA) and its use in IT and Business Processes, organized by Dr. Suhasini Dafe, Dean of the International Office at G H Raisonni University Saikheda, was a highly informative and engaging event for students from the School of Engineering and Technology and the School of Science. Mr. Rupesh Gaikwad provided valuable insights into the world of RPA, highlighting its applications in various industries and its potential to streamline and optimize business processes. The lecture served as an excellent opportunity for students to gain a deeper understanding of this emerging technology and its relevance in today's digital age.

Convener IIC GHRUS	Dr. Narsihmachary	Dean (Research)

IIC Progress from the inception

Securing the prestigious 4-star ranking in the Institution's Innovation Council by the Ministry of Education, Government of India, New Delhi, is a testament to the unwavering commitment of G H Raisoni University towards fostering a culture of innovation and excellence. This accolade not only validates our dedication to nurturing innovative ideas and initiatives but also reaffirms our position as a leader in driving meaningful change through education. It serves as a source of pride for our entire university community and inspires us to continue pushing the boundaries of innovation, creativity, and societal impact.

**NIRF Innovation Band Ranking 151-300 (2022-23)**

GH Raisoni university has secured the NIRF Innovation Band Ranking of 151-300 for the year 2022-23, bestowed by the Ministry of Education, New Delhi, marks a significant milestone for our university.

This recognition underscores our relentless pursuit of innovation and academic excellence.

It serves as a testament to our unwavering commitment to cultivating an environment where creativity thrives, fostering groundbreaking ideas, and nurturing talent.

As we embrace this accolade, we renew our dedication to pushing boundaries, driving impactful change, and shaping a brighter future through innovation and education.

Mentee University, Colleges and School under (2023-24)

The Mentor-Mentee program at G H Raisonni University marks a significant milestone as the institution achieves a prestigious **4-star rating in the Institution's Innovation Council by the Ministry of Education, Government of India, New Delhi**. Designated as a Mentor Institute, G H Raisonni University is set to guide and nurture aspiring schools and colleges as Mentee Universities and Colleges under the IIC-GHRUS initiative for the academic year 2023-24. This acknowledgment underscores our commitment to fostering innovation and excellence, as we embark on a journey to mentor and inspire the next generation of innovators and leaders in the educational landscape.

Under the IIC-GHRUS initiative for the academic year 2023-24, G H Raisonni University embraces the role of mentorship with a sense of purpose and responsibility. Through this program, the university aims to foster a culture of innovation, collaboration, and continuous learning among mentee universities and colleges. By sharing best practices, providing guidance, and facilitating access to resources, G H Raisonni University seeks to catalyze the growth and development of its mentees, empowering them to realize their fullest potential.

Mentee Schools under IIC-GHRUS(Atal Tinkering Lab School)

**Delhi Public School, Chhindwara
Kendriya Vidyalaya, Barkuhi
Govt Girls HS School, Bichua'**

Visit to Mentee School 21 August 2023

A visit to Delhi Public School, Chhindwara, Government Girls Higher Secondary School, Bicchua, and Kendriya Vidyalaya, Barkuhi, under the Atal Tinkering Lab, Institution's Innovation Council, Ministry of Education, New Delhi, was conducted by Dr. Sandeep Petkar, Dean of Innovation and President of IIC, and Dr. Narasimhachary, Dean of Research and Convener of IIC.

(A lecture on the topic "Artificial Intelligence and Machine Learning," organized under the Atal Tinkering Lab, Institution's Innovation Council, Ministry of Education, New Delhi, was conducted by Dr. Sandeep Petkar, Dean of Innovation and President of IIC, at Delhi Public School, Chhindwara)

Viksit Bharat @ 2047

An online event on the topic "VIKSIT BHARAT @ 2047," Ministry of Education, New Delhi hosted by the Honorable Prime Minister Mr Narendra Modi, for higher education students and faculty members, was organized at the GHRUS Incubation Center by Dr. Sandeep Petkar, Dean of Innovation, and Dr. Narasimhachary, Dean of Research.

In his address to university students and faculty members on "Viksit Bharat @2047," the Honorable Prime Minister shared a vision of an empowered and prosperous India in 2047. He emphasized the pivotal role of education in realizing this vision, urging students and educators to embrace innovation, entrepreneurship, and sustainability. He called upon the academic community to actively participate

in nation-building efforts, emphasizing the importance of research, collaboration, and skill development in shaping the future of the nation.

IIC (Western) Regional Meet at GHRCE, Nagpur (13 December 2023)

Mr. Harsh Chandak, a BPharm student of SOP, presented his poster in the poster presentation competition. Additionally, students from SOET, SOAS, and SOP of G H University presented

products that were made or produced under the GHRUS-Incubation Centre, Saikheda.

National IP Yatra, Nagpur (18 and 19 January 2024)

IP Yatra workshop, a collaborative effort by the **Ministry of Micro, Small & Medium Enterprises (MSME), ASSOCHAM, and AIPMC**, is a specialized platform dedicated to educating entrepreneurs and businesses on Intellectual Property Rights (IPR). Through comprehensive sessions, expert-led discussions, and hands-on workshops, participants gain invaluable insights into the nuances of IP protection, registration processes, and strategies for maximizing the value of their intellectual assets.

IIC Central Regional Meet, Indore (27 January 2024)

Dr.Sandeep Petkar, Dean of Innovation, Incubation & Entrepreneurship, and President of the Institution's Innovation Council, is a keynote speaker on the topic "Innovation Ambassador" at the IIC Regional Meet 2023-24 , Arcopolis Institute of Management Studies and Research, Indore

Visit to Saoner Mine No. 03, Wester Coal Field, Nagpur with student of Mining Engineering, under Industrial Visit of IIC and Survey Camp on 26 and 27 February 2024

(Dr. Sandeep Petkar, Dean- Innovation, Incubation & Entrepreneurship, welcomed Mr. N. Dutta, Assistant Mine Manager (Survey), and Mr. Virendra Singh, Mines Manager of Saoner Mine No. 3, WCL, Nagpur, by presenting them with G H Raisonni University mementos and appreciation certificates for giving permission and co-operation during Mining Survey camp of Mining Engineering students of SOET.)

Amrit Vimarsh Viksit Bharat @ 2047 National Defence Academy of Production, Ambazari, Nagpur (09 March 2024)

In the seminar on "Amrit Vimarsh Viksit Bharat @ 2047" at the National Defence Academy of Production, Ambazari, Nagpur, on 09 March 2024, Dr. Dash, Chief General Manager of Ordnance Factory Ambazari, Dr. Pramod M. Padole, Director of VNIT Nagpur, and Dr. Atul Narayan Vaidya, Director of NEERI (CSIR) Nagpur, will serve as the keynote speakers on the topic "Amrit Vimarsh Viksit Bharat @ 2047." Dr. Sandeep Petkar, Dean of Innovation, Incubation & Entrepreneurship, and Mr. Adheer Goyal, along with two students from each school of G H Raisonni University, Saikheda, attended the seminar.

Section 10
**INDUSTRY INSTITUTE
INTERFACE CELL**

The Industry Institute Interface Cell (III C) at G H Raisonni University, Saikheda has been instrumental in bridging the gap between academia and industry by organizing a series of events aimed at fostering collaboration, enhancing skill development and providing valuable insights into career opportunities for students across various schools within the university.

Throughout the year, the Industry Institute Interface Cell (III C) has invited esteemed professionals from diverse industries to share expertise with students:

Industry Experts Guest Lectures:

Industry expert's guest lectures have provided invaluable insights into industry trends, emerging technologies and real-world applications. Notable speakers included experts from agriculture sciences, pharmaceuticals, engineering, commerce, nursing, law and management.

One-day Workshops on Hands-on Trainings:

To complement theoretical learning with practical skills, the cell organized several one-day workshops focussing on Hands on trainings sessions. These workshops covered a wide range of topics including agriculture techniques, pharmaceutical formulation, laboratory experiments in sciences, engineering prototyping, financial analysis in commerce, nursing procedures and legal case studies.

Skill Development Programs:

Recognizing the importance of holistic development the III Cell conducted skill development programs aimed at enhancing both technical and soft skills among students. These programs included sessions on communication skills, problem-solving, team work, leadership, time management and entrepreneurship among others.

Career Opportunities Sessions:

To assist students in making informed career choices, the III Cell organized career opportunities sessions wherein industry professionals shared insights into various career paths, job roles and skill development across different sectors. These sessions facilitated networking opportunities and helped students understand the industry landscape.

Industrial Visits:

The III Cell facilitated industrial visits to provide students with first hand exposure to industrial processes, operations and work environments. Visits were organized to agricultural farms and related industries, pharmaceutical manufacturing units, research laboratories, engineering firms, commercial enterprises, healthcare facilities, legal firms and management consultancies.

School-wise Highlights:

- **School of Agriculture Sciences:**

School of Agriculture Sciences (SOAS) hosted specialized workshops on modern agricultural practices, soil management techniques and crop protection strategies. Organised Farm visits and related industries to promote practical learning.

- **School of Pharmacy :**
School of Pharmacy (SOP) conducted on pharmaceutical formulation, drug delivery systems and quality control measures. Facilitated visits to pharmaceutical manufacturing units for students to observe manufacturing processes.
- **School of Sciences:**
School of Sciences (SOS) arranged laboratory sessions covering a wide range of experiments in Physics, Chemistry, Biotechnology and Environmental Sciences. Also IT and Cyber Security experts to share advancements in scientific research and technology.
- **School of Engineering & Technology:**
School of Engineering and Technology (SOET) organized various engineering stream related guest lectures, workshops on CAD/CAM design , 3 D printing, robotics and automation, Civil engineering and mining engineering areas. Arranged visits to manufacturing industries to observe industrial machinery and processes.
- **School of Commerce& Management:**
School of Commerce and Management (SOCM) conducted sessions on financial analysis, market research, strategic management and business communication. Invited industry leaders to discuss emerging trends in finance, marketing and human resources.
- **School of Nursing:**
School of nursing (SON) provided hands-on-trainings in patient care, medical procedures and emergency response and personal preventions. Organized visits to hospitals and healthcare facilities to familiarize students with clinical settings.
- **School of Law:**
School of Law (SOL) conducted workshops and guest lectures on legal drafting, case analysis and courtroom procedures. Facilitated visits to courts and law firms for students to observe legal proceedings and interact with legal professionals.

 CCLL Supervisor: Dr. Manisha Kaverkar

Central Jail Visit

Supreme Court Visit

“Career Opportunity Session”

“National Science Day Celebration”

Conclusion:

The Industry institute Interface Cell (III C) at G H Raisoni University, Saikheda has played a pivotal role in enhancing the employability of students and fostering industry-academia collaboration. Through a diverse range of events and initiatives, the cell has insights and explores career pathways across different domains. Looking ahead, we remain committed to nurturing this interface and empowering our students to thrive in the dynamic world of industry and innovation.

Holi celebration 2024

Activity Conducted at School/Department/Club		
1	Name of the Department /Club	Sports and Cultural Forum
2	Name of the Event	Holi celebration
3	Venue	Entrance passage of new building, GHRU Saikheda
4	Date and Time	23/3/2024, 11.00 am- 1.00 pm
5	Resource Person (if Applicable)	NA
6	Objectives of the Event	<p>Celebration of Spring: Holi marks the arrival of spring, symbolizing the triumph of good over evil and the onset of a season of growth, renewal, and positivity.</p> <p>Social Harmony: Holi brings people from all walks of life together, transcending social barriers, and fostering unity, harmony, and camaraderie</p>

		<p>among communities.</p> <p>Forgiveness and Reconciliation: One of the key traditions of Holi is the tradition of 'playing colors,' during which people apply colored powders and water on each other. This act symbolizes the breaking down of barriers, forgiveness, and the renewal of relationships, making it an occasion for reconciliation and healing.</p> <p>Cultural Heritage: Holi celebrates cultural heritage and traditions, reflecting the rich tapestry of Indian culture and its vibrant festivals.</p> <p>Religious Significance: For many, Holi holds religious significance, particularly for Hindus. It commemorates various legends and mythological stories, including the victory of good over evil, such as the legend of Prahlada and Holika, or the playful antics of Lord Krishna and Radha.</p> <p>Expression of Joy and Happiness: Holi is a festival of joy, laughter, and merrymaking, where people come together to celebrate life, share sweets and delicacies, and enjoy music, dance, and festivities.</p> <p>Cleansing and Purification: Holi also signifies cleansing and purification, both spiritually and physically. The bonfires lit on the eve of Holi, known as Holika Dahan, represent the burning of impurities and negative energies, paving the way for new beginnings and fresh starts.</p> <p>Promotion of Cultural Diversity: Holi is celebrated across India and in many parts of the world, making it a platform for promoting cultural diversity, intercultural exchange, and mutual respect.</p>
7	Target Audience	Students, teaching and non-teaching faculties at GHRUS
8	Total Number of Participants	300
9	Name of the Event Coordinator	Ms. Anmol Dhawande

The annual gathering function at G H Raisoni University, Saikheda held on 16, 17 & 18 February, 2024 was a resounding success, bringing together students, faculty, and staff in a celebration of academic and cultural diversity. The event served as a platform to foster a sense of community and camaraderie among the university's members.

The gathering took place at open space at GHRUS, a spacious and well-decorated space that set the tone for an evening of festivities. The organizers thoughtfully designed the venue, incorporating the colors and themes, creating an inviting and festive atmosphere.

The gathering commenced with pre-screening performances of some events. There were many events scheduled for three days.

The main cultural events such as dance, fashion show, singing and MR. and MS. Karwaan were judged by the celebrity Jury members. The winners and runner ups of all the events were awarded by certificates and trophies.

9	Name of the Event Coordinator	Ms. Anmol Dhawande
10	NAAC criteria	--

On 15 Jan, 2024, Open Lawn area, GHRUS witnessed a vibrant and exhilarating celebration of the annual Kite Festival. Organized by Dean, Student Development, GHRUS, the festival brought together kite enthusiasts, families, and participants of all ages for a day filled with colourful kites, friendly competition, and joyous festivities

Highlights of the Festival:

Kite Flying Competitions: The festival featured various kite flying competitions, including categories such as highest flying kite, largest kite, and most creatively designed kite. Participants from different

age groups showcased their skills, adding a competitive and thrilling aspect to the event.

The Kite Festival was a tremendous success, attracting a diverse crowd and creating a memorable experience for all participants. The event successfully achieved its goal of celebrating the cultural significance of kite flying while promoting community engagement and providing entertainment for the local community.

We look forward to future editions of the Kite Festival, continuing the tradition of bringing people together for a day of joy, celebration, and colorful skies.

Activity Conducted at School/Department/Club		
1	Name of the Department /Club	Fine Arts Club
2	Name of the Event	Memory Painting Competition 2024
3	Venue	Riaan Tower, Mangalwari, Nagpur
4	Date and Time	28-March-2024 from 1.00 pm to 4.00 pm
5	Resource Person (if Applicable)	Nil
6	Objectives of the Event	1. Promoting Creativity 2. Preserving Memories 3. Community Engagement 4. Cognitive Exercise
7	Target Audience	The event is typically organized for the Graduation students.
8	Total Number of Participants	52
9	Name of the Event Coordinator	Dr. Amit Khapekar
10	NAAC criteria	

Event Objectives:

1. Promoting Creativity:

Encourage participants to think outside the box and experiment with different artistic styles and techniques.

Provide themes or prompts that challenge participants to interpret their memories in unique and imaginative ways.

2. Preserving Memories:

Encourage participants to choose memories that hold personal significance to them, whether they are joyful, nostalgic, or reflective.

Emphasize the importance of capturing the emotions and details associated with each memory to create a vivid and meaningful portrayal.

3. Community Engagement:

Organize exhibitions or showcases where participants can display their memory paintings and share the stories behind them with others.

Facilitate networking opportunities for participants to connect with fellow artists, share experiences, and collaborate on future projects.

4. Cognitive Exercise:

Encourage participants to reflect on their memories and consider how they have shaped their personal identities and experiences.

Provide prompts or activities that stimulate memory recall and encourage participants to explore the sensory details and emotions associated with each memory.

Participants:

52 students from various departments of the University.

Details of the Event:

Fine Arts Club organized the Memory Painting Competition at Riaan Tower, Mangalwari, Nagpur on 28th March 2024 from 1:00 pm to 4:00 pm. Dr. Amit Khapekar coordinated the event, which targeted graduation students. With a total of 52 participants, the competition aimed to promote creativity, preserve memories, engage the community, and provide a cognitive exercise through artistic expression.

Outcome:

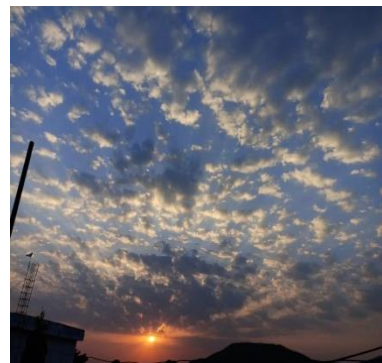

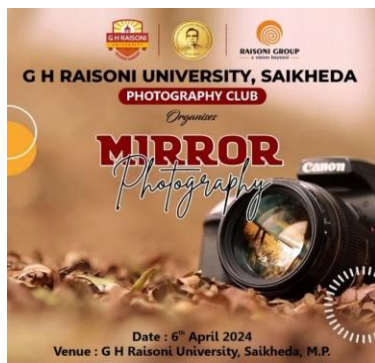

- 1. Showcased Creative Talents:** Participants demonstrated their creative abilities and artistic skills through a diverse range of paintings, showcasing their unique interpretations of significant memories.
- 2. Fostered Community Engagement:** The event brought together students from various disciplines, encouraging interaction and collaboration as they shared personal stories and experiences through art.
- 3. Preserved Personal Narratives:** Participants immortalized their memories and emotions on canvas, preserving significant moments from their lives in visual form for themselves and others to appreciate.

----	---------------

Introduction by Mr. Avinash Mandal: The workshop began with Mr. Mandal introducing the concept of personal branding and its relevance in the academic and professional journey of students.

Importance of Personal Branding: Mr. Mandal elaborated on the significance of personal branding, emphasizing how it influences perception, career opportunities, and professional growth.

Factors to Consider for Personal Branding: A comprehensive discussion on the various factors influencing personal branding, including online presence, communication skills, and networking strategies, provided students with practical insights.

Ways to Brand Yourself in Your Niche: Mr. Mandal shared strategies and tips for students to effectively establish and promote their personal brand within their respective fields of study.

Finding Your Niche: The workshop included interactive activities and discussions to help students identify and define their unique strengths, skills, and areas of interest – essential elements in shaping their personal brand.

Workshop Coordinator:

Mr. Alok Joshi, a Communication Trainer, served as the workshop coordinator, ensuring smooth organization and active engagement of participants. His role included introducing the speaker, facilitating Q&A sessions, and providing additional insights on effective communication in personal branding.

Student Feedback:

At the end of the workshop, students were encouraged to share their thoughts and feedback. The responses indicated a positive reception, with participants expressing appreciation for the practical insights provided by Mr. Avinash Mandal. Many students found the workshop to be eye-opening, realizing the importance of personal branding in their academic and future professional endeavors.

Outcomes:

Increased Awareness: The workshop successfully raised awareness among students about the importance of personal branding and its role in shaping their future careers.

Practical Strategies: Students gained practical strategies and tools to develop and enhance their personal brand, both online and offline.

Positive Engagement: The interactive nature of the workshop facilitated meaningful discussions, enabling students to actively participate and share their thoughts.

Conclusion:

The Personal Branding Workshop, conducted by Mr. Avinash Mandal and coordinated by Mr. Alok Joshi, proved to be a valuable and insightful session for 4th-semester students of the Agriculture Department. The knowledge gained will undoubtedly contribute to their personal and professional development as they embark on their future endeavors.

Fitness Assessment Event at GHRU Riaan Towers, Mangalwari campus		
1	Name of the Department / Club	Yoga and Sports Club
2	Name of the Event	Fitness Assessment

9	Name of the Event Coordinator	Pravartan Tatte
10	NAAC criteria	

Yoga and Fitness Club of GH Raisonni University Saikheda has organized a Fitness Assessment event for the students of university on 8th February, 2024 at Riaan Towers, Mangalwari, Nagpur. In this event students were given challenges like two minutes planks, twenty five push-ups, and twenty five scots. Also, students were made to run a distance of 100 meters with the maximum speed they can achieve. These activities were meant to expose students to their current physical health and motivate them to improve it by working on it. The students of the school of science participated in it with the whole-hearted enthusiasm. Around thirty students participated in the event.

First students were made to do at least twenty-five push-ups. The president of the club Mr Shashank oversaw the performance of the participants. He initially showed how a push-up should be done, discussed the technicalities and benefits associated with the activity. The students who successfully completed the twenty five push-ups were asked to do the plank of about two minutes. Many students voluntarily participated and were able to do it for more than two minutes. Few girls even touched the time of three minutes plank. The event was supervised by Mr Pravartan Tatte, faculty coordinator for the Yoga/Fitness Club.

Outcomes:

1. Students enthusiastically did the health assessment activities.
2. Students understood the importance of physical fitness.
3. Students enjoyed the engagement in the activities other than classroom studies.
4. Students conveyed they will start regular exercise to be fit.

**Event details:**

On 14 Feb, 2024 GHRUS celebrated the festival of Vasant Panchami with great enthusiasm and fervor. The event marked the arrival of the spring season and was organized to bring together students, faculty, and staff in a festive atmosphere.

Highlights of the Celebration:

Puja and Saraswati Vandana: The festivities commenced with a puja and Saraswati Vandana, a ritual to seek blessings from the goddess of knowledge, Saraswati. Faculty members, students, and staff participated in the prayers, invoking wisdom and enlightenment.

Traditional Attire Day:

In the spirit of the festival, students and faculty were encouraged to wear traditional attire. The campus came alive with a kaleidoscope of colors as participants adorned themselves in vibrant dresses, symbolizing the blossoming of spring.

Conclusion:

The Vasant Panchami celebration at GHRUS was a resounding success, creating a festive and culturally rich environment on campus. The organizing committee expresses its gratitude to all the participants, volunteers, and sponsors who contributed to the success of the event. The celebration not only added vibrancy to the campus but also reinforced the importance of embracing and celebrating our cultural heritage.

The Amrit Kalash Yatra, organized by the National Service Scheme (NSS) at Saikheda Village, was conducted on October 27, 2023, from 11:30 AM to 1:00 PM. The event was attended by a total of 44 participants, including NSS volunteers and coordinating faculty members.

The event was coordinated by Mr. Avinash Mandal, the NSS Head, Prof. Manohar Golait NSS Co-coordinator, along with the collaboration of Dr. Sahab Singh Pippal, Prof. Akansha Bondade, Prof. Hitesh Karwande, Prof. Jigyasa Ma'am, and Sanjay Kaduskar Sir, who are the School NSS Coordinators of different departments.

The primary objective of the event was to collect soil from every household in Saikheda village. NSS volunteers visited each household to gather soil, symbolizing the collective essence of the village. The soil collection was carried out with utmost enthusiasm and participation from the village residents.

This activity aimed to strengthen the sense of community and unity among the villagers. In addition to collecting soil, the event focused on raising awareness about the significance of the Kalash Yatra. Participants engaged in conversations with the villagers, sharing information about the historical and cultural importance of the Kalash Yatra in Indian tradition.

This educational aspect of the event contributed to a deeper understanding of the local culture and customs. The Amrit Kalash Yatra exemplified the spirit of community service and cultural preservation. It fostered a sense of togetherness and served as a platform to promote the cultural heritage of the village. In conclusion, the event was a resounding success, achieved through the collaborative efforts of NSS volunteers and the supportive participation of Saikheda villagers. The collection of soil and the dissemination of knowledge about the Kalash Yatra enhanced the event's overall impact and significance. We express our gratitude to Hon'ble Dr. Meena Rajesh, Vice-Chancellor, GHRUS, Dr. Shriram Joshi, Registrar, GHRUS and all the participants and coordinators for their dedication and contribution to making this event a meaningful and memorable experience.

Students learnt how to improve the speed and accuracy.

Activity Conducted at School/Department/Club		
1	Name of the Department /Club	G20 Yuvamanthan
2	Name of the Event	Yuvamanthan Summit
3	Venue	Seminar Hall, Riaan Tower
4	Date and Time	30 October-23, 11:00 AM-5:00 PM
5	Resource Person (if Applicable)	
6	Objectives of the Event	<p>Fostering International Awareness: The primary objective of the summit is to enhance students' understanding of global issues and international economies. By representing 20 different countries, participants gain valuable insights into the challenges and opportunities faced by nations around the world.</p> <p>Promoting Diplomacy and Negotiation Skills: Through active engagement in discussions in both the Sherpa and Finance tracks, students will develop and refine their diplomatic and negotiation skills. These abilities are crucial in finding common ground and building consensus in the real world of international diplomacy.</p> <p>Enhancing Public Speaking and Communication Skills: The summit provides a platform for students to improve their public speaking and communication skills. They will learn to articulate their country's positions, defend their stances, and persuade others effectively – skills that are essential for future leaders and diplomats.</p> <p>Addressing Global Challenges: The summit aims to facilitate discussions on pressing global challenges by focusing on two different topics each day. By engaging in these discussions, students will explore innovative solutions to issues such as climate change, economic stability, social justice, and more, contributing to a broader understanding of these problems.</p> <p>Building Cross-Cultural Competence: By representing diverse countries, students have the opportunity to immerse themselves in different cultures, perspectives, and ideologies. This promotes cross-cultural competence and a broader worldview, essential in an increasingly interconnected world.</p>
7	Target Audience	All Students of the university enrolled for the workshop
8	Total Number of Participants	80
9	Name of the Event Coordinator	Mr. Alok Joshi
10	NAAC criteria	

Objective:

The G20 Model Yuvamanthan Summit aimed to provide students with a unique and immersive experience in international diplomacy and global economics. The event brought together students representing 20 different countries in a simulated diplomatic setting, enabling them to develop their awareness of international issues, enhance negotiation skills, and improve their public speaking abilities.

Participants:

The summit witnessed enthusiastic participation from 80 students of the university and outside, who collectively represented 20 nations, coming from diverse backgrounds and academic levels.

Activities Conducted:

The G20 Model Yuvamanthan Summit spanned two tracks: the Sherpa track and the Finance track, with two distinct topics discussed each day.

Sherpa Track Topics:

1. **Digital Transformation:** Participants deliberated on the challenges and opportunities posed by the digital age, specifically focusing on the management and protection of data in an increasingly digitized world.
2. **Human Rights:** Students engaged in discussions regarding the role of the G20 in promoting and protecting human rights on a global scale.

Finance Track Topics:

1. **Economic Recovery:** Participants explored strategies for restoring economies following crises like the COVID-19 pandemic, identifying effective measures to ensure economic stability and growth.
2. **Income Inequality:** The summit provided a platform for students to examine methods to reduce income inequality and promote equitable economic growth, addressing a pressing global concern.

Outcomes:

The G20 Model Yuvamanthan Summit served as an enriching educational experience for the students who participated. They gained valuable insights into international affairs and economic issues, honed their negotiation and public speaking skills, and developed a deeper appreciation for the challenges faced by world leaders in addressing these issues.

The simulation exercise enabled students to assume the roles of global diplomats, promoting diplomacy, consensus-building, and cooperative problem-solving. By discussing topics relevant to the real G20 agenda, students not only expanded their knowledge but also cultivated a deeper sense of global citizenship.

In conclusion, the G20 Model Yuvamanthan Summit successfully achieved its objectives of educating and empowering students to engage in international issues, equipping them with essential skills for future leadership and fostering a spirit of cooperation and diplomacy among the young leaders of tomorrow. This event was a testament to the power of experiential learning and its ability to shape future global citizens.

To build a bridge between college life and career life, so as introduce present students to the professional world. 3. To provide a platform to the Alumni to communicate with the institution 4. Bring alumni together to strengthen the sense of belonging and connection to the university. 5. Organize events and activities that allow alumni to create positive and lasting memories.
5	Target Audience	:	Alumni
6	Total Number of Participants	:	37
7	Name of the Event Coordinator	:	Dr. Snehal Datarkar

A coming back to a place that shaped the trajectory of one's own life is a priceless and unexplainable experience. Meeting old friends who travelled in different directions and sharing the life experiences with them makes this coming back an unforgettable event. With this view, an Alumni Reunion entitled **"KUTUMB 2023"** was organised by G H Raisonni University Saikheda on **Wednesday, 8th November 2023 at 4.00 pm** onwards in in University campus on the occasion of Diwali.

The occasion was graced by more than 35 Alumni ranging across various schools, all streams-batches of GH Raisonni University. Registration of alumni was done on the day of the event and current students gave warm welcome to alumni. Program started with Saraswati Vandana, University song and Welcome dance followed by lighting of the lamp by dignitaries.

Dr. Meena Rajesh, Hon'ble Vice-Chancellor, GH Raisonni University Saikheda addressed the alumni reunion program, mentioned the academic developments of the university and requested the alumni to continue their ties with the institute forever. The main objective of this event, was to provide a platform to the Alumni to communicate with the institution. Deans from all the schools, teaching, non-teaching staff and current students were invited for the program.

After inaugural program the next session was of introduction of alumni and sharing their journey of success and one to one interaction with each alumni started. It was very proud moment to hear about their journey of success & hard work, also the feelings of respect towards their home university. Great friendliness was observed everywhere with old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. The Alumni Meet closed at a very emotional note. Everyone departed with the resolve to visit again and spread the message amongst all who could not visit this time.

Various games and cultural events were conducted for the alumni. As a part of Corporate Social Responsibility (CSR) activity small token of love in the form of gifts was distributed to the children's of housekeeping staff and Saikheda village.

The festivities concluded with Vote of thanks by Prof. Monish Bhambawani then group photographs, DJ performance followed by a dinner.

Activity Conducted at School/Department/Club		
1	Name of the Department /Club	Persona Club
2	Name of the Event	Movie Review Competition
3	Venue	Seminar Hall, Saikheda
4	Date and Time	7 Nov-23, 3:00 PM-4:30 PM
5	Resource Person (if Applicable)	
6	Objectives of the Event	<p>Enhance Critical Thinking Skills: Encourage students to think critically and analyze the content they consume, promoting a habit of critical thinking that can be applied to academic work and real-life decision-making.</p> <p>Promote Meaningful Reflection: Encourage participants to find meaning in cinematic narratives and translate those insights into their own lives, helping them develop a deeper understanding of the world around them.</p> <p>Foster Effective Communication: Provide a platform for students to articulate their interpretations and opinions effectively, improving their communication skills, which are essential for both personal and professional interactions.</p> <p>Encourage Application of Knowledge: Challenge students to apply the lessons and concepts learned from movies to their daily transactions and situations, fostering practical problem-solving abilities.</p> <p>Inspire a Love for Learning: Cultivate a passion for learning and exploration by showing students that knowledge gained from diverse sources, such as movies, can be engaging, enriching, and applicable to various aspects of their lives.</p>
7	Target Audience	All Students of the university enrolled for the workshop
8	Total Number of Participants	40
9	Name of the Event Co-ordinator	Mr. Alok Joshi

10	NAAC criteria	
----	---------------	--

Objective: The Movie Review Competition held at G H Raisoni University aimed to provide students with an opportunity to derive significant meaning from movie clips and apply them to their lives and day-to-day transactions. The competition was designed to engage participants intellectually, encouraging them to analyze and interpret cinematic content and its relevance to real life.

Participants: The competition, known as 'Movie Review Competition,' garnered substantial interest from students at the university, with a total of 40 enthusiastic participants. Students organized themselves into groups of 4-5 members, each group bringing a unique blend of perspectives and knowledge levels. Their active participation demonstrated a strong desire to derive deeper meanings from movies and connect them to their daily lives.

Activities Conducted: The 'Movie Review Competition' featured a series of movie clips, carefully selected to challenge the participants' analytical and interpretive abilities. The event was conducted under the guidance of the club mentor, Mr. Alok Joshi, who ensured the smooth execution of the competition by the club's student members.

The competition consisted of multiple rounds, each with a distinct focus, designed to assess various facets of the students' ability to draw meaningful insights from cinema. The rounds included:

Interpretation Round: Participants were shown a thought-provoking movie clip and asked to provide their interpretations of the scene's significance in real-life situations.

Application Round: In this round, students were presented with another movie clip and required to identify practical applications of the concepts or lessons portrayed in the clip within their day-to-day transactions.

Discussion Round: The final round involved a group discussion where participants shared their thoughts on the impact of cinema on society and their personal lives.

Judging and Winner: The 'Movie Review Competition' was judged by Mr. Avinash Mandan, a seasoned psychologist and trainer. His expertise was instrumental in evaluating the depth of insight and clarity of expression in participants' interpretations.

After rigorous evaluation, one group emerged as the winners, demonstrating exceptional understanding and application of cinematic themes to their lives and daily transactions. They were recognized as the deserving champions of the 'Movie Review Competition.'

Outcomes: The 'Movie Review Competition' at G H Raisoni University, Saikheda, yielded several positive outcomes:

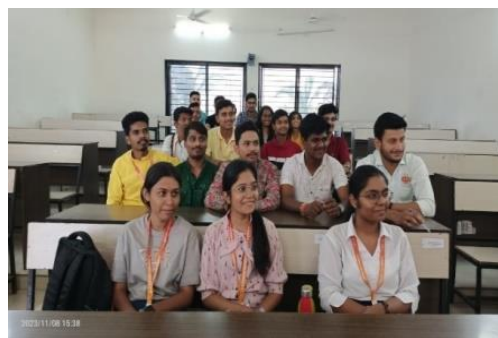

Enhanced Interpretation Skills: Participants developed a greater ability to analyze and interpret cinematic content, which can be applied to various aspects of their lives.

Critical Thinking and Problem-Solving: The competition fostered critical thinking and problem-solving skills as students were challenged to draw meaningful insights and apply them practically.

Teamwork and Communication: Collaborative group activities encouraged teamwork and effective communication among students as they worked together to derive meaning from movie clips.

Recognition of Excellence: The winning group was duly acknowledged and rewarded, highlighting their exceptional performance in the competition.

In conclusion, the 'Movie Review Competition' was a resounding success, offering an engaging platform for students to explore the profound impact of cinema on their lives and transactions. It promoted intellectual growth, teamwork, and critical thinking while fostering a spirit of learning within the college community. This competition not only celebrated the art of cinema but also its meaningful application in the real world.

Activity Conducted at School/Department/Club		
1	Name of the Department /Club	Technical Club
2	Name of the Event	Quizlet
3	Venue	Seminar Hall, Saikheda
4	Date and Time	1 Nov-23, 4:00 PM-5:00 PM
5	Resource Person (if Applicable)	
6	Objectives of the Event	<p>Promote Knowledge: Encourage participants to acquire and showcase their knowledge on a variety of topics, fostering a culture of continuous learning and intellectual growth.</p> <p>Foster Healthy Competition: Create an environment where participants can compete in a friendly and competitive spirit, enhancing their problem-solving and critical thinking skills.</p> <p>Build Teamwork: Include team-based rounds or activities to promote collaboration and communication among participants, helping them develop important interpersonal skills.</p> <p>Entertainment and Engagement: Ensure the event is engaging and entertaining to maintain participants' interest and create a memorable experience.</p> <p>Networking and Social Interaction: Provide opportunities for participants to interact and network with their peers, promoting social bonds and a sense of community within the college.</p>
7	Target Audience	All Students of the university enrolled for the workshop
8	Total Number of Participants	50
9	Name of the Event Coordinator	Mr. Alok Joshi
10	NAAC criteria	

Objective: The quiz competition held at G H Raisoni University, Saikheda aimed to provide college students with an engaging and intellectually stimulating experience by testing their knowledge across various subjects. The event sought to encourage a spirit of healthy competition and foster learning in areas such as general knowledge, sports, technology, geography, and international awareness.

Participants: The quiz, known as 'Quizlet,' saw an enthusiastic turnout of 50 students from the university. These students formed groups of 4-5 members, bringing together a diverse range of skills and knowledge levels. Their participation reflected a keen interest in testing their general knowledge and

critical thinking abilities.

Activities Conducted: The quiz competition featured questions and rounds covering a wide range of topics, including general knowledge, sports, technology, geography, and international affairs.

Student coordinators took charge of conducting the event, posing challenging questions to the participating groups.

The event consisted of multiple rounds, each designed to assess different aspects of the students' knowledge and problem-solving skills.

Winning Group: After a series of engaging and competitive rounds, one group emerged victorious, showcasing their excellence in various subjects. This group demonstrated a superior understanding of the topics covered and emerged as the deserving winners of the 'Quizlet' competition.

Outcomes: The 'Quizlet' competition at G H Raisoni University, Saikheda, achieved several positive outcomes:

It provided an opportunity for students to test and expand their knowledge in diverse fields.

The event encouraged healthy competition and motivated students to enhance their critical thinking and problem-solving skills.

Students had the chance to collaborate with their peers as they worked together in groups, promoting teamwork and communication.

The winning group was felicitated, acknowledging and rewarding their excellence in the quiz competition.

In conclusion, the 'Quizlet' competition was a successful and enjoyable event that not only tested the knowledge of the participating students but also promoted camaraderie and healthy competition among them. It served as a valuable platform for students to showcase their academic prowess and foster a spirit of learning and teamwork within the college community.

He addressed the all ANO's and Battalion officers and gave lecture as well as participated in debate on future agenda for development of NCC and won the 1st prize and award from Commanding Officer of 24 MP Battalion NCC Chhindwara .

Visit of Battalion and Demonstration:

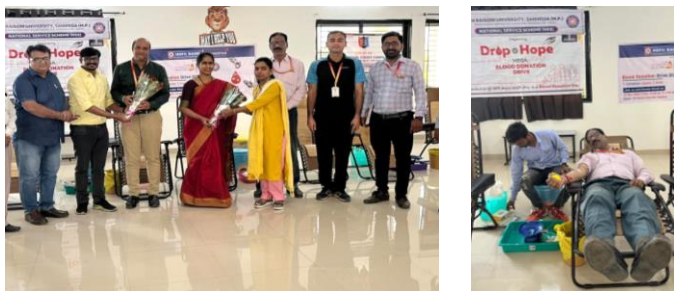

Newly enrolled NCC cadets of GHRU-Saikheda visited 24 MP Battalion NCC Chhindwara on 08/08/2023. All cadets introduced with their instructors and other cadets also they witnessed NCC demonstration which was specially organised for them by battalion and cadets of other institutions.

All cadets enjoyed learning of cadet life and basic NCC drills and they also got the detailed information about NCC Camps and competitions.

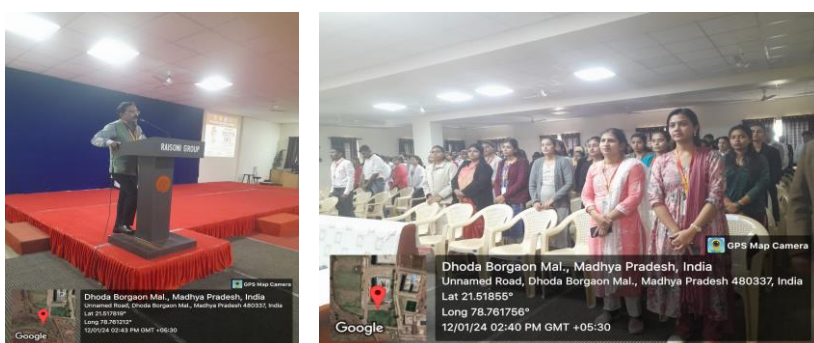

Blood Donation Camp 2023:

A blood donation camp was successfully organized by G H Raisonni University in collaboration with HDFC Bank at the GHRU Saikheda campus on November 7, 2023, from 10:30 am to 4:30 pm. The event saw active participation from CTO. Jenish Tapaniya. The camp received valuable support from the blood bank team of JIWAN JYOTI BLOOD BANK, NAGPUR. Dr. Meena Rajesh, Vice-Chancellor of GHRU, and Dr. Shriram Joshi, Registrar of GHRU, inaugurated the event and extended their support. A total of 64 candidates donated blood out of them 12 student were NCC cadet and other 35 students were from Department of sports. Special thanks were extended to all participants and staff members who supported this event.

National Youth Day

The National Youth Day was celebrated in Seminar Hall, G H Raisoni University, Saikheda, on 12/01/2021 at 11:00 AM. The event featured Prof. Manohar Golait as the Guest Speaker. Prof. Golait delivered an inspiring speech, highlighting the importance of youth empowerment and leadership development. Participants engaged in interactive discussions and activities aimed at fostering personal growth and societal contribution. The celebration served as a platform for youth to reflect on Swami Vivekananda's teachings and ideals, motivating them to strive for excellence and contribute positively to society.

The National Service Scheme (NSS) organized a Health Awareness Camp at G H Raisoni University, Saikheda Campus, on 13th March from 11:00 AM onwards. The objective was to check the health status of school-going children in Saikheda village through various assessments including blood tests, BP tests, and BMI measurements. Coordinated by CTO.Jenish Tapaniya, along with School of Nursing faculties and NSS corrdinators. The camp aimed to fulfill the NAAC criteria for Extension Activities (3.6). Although no resource person was available, the camp provided valuable insights into the health status of the children and raised awareness about the importance of regular health check-ups and maintaining a healthy lifestyle. Overall, the Health Awareness Camp was a successful initiative, benefiting the participants and contributing to community well-being. Continued efforts are essential to address the health needs of the local community and promote a culture of wellness.

Section 17

National Service Scheme (NSS)

G H Raisonni University, Saikheda is registered for National Service Scheme (NSS) Unit in 2018 and at present we have 100 students registered for 5th Batch of 2023-2025, & 100 in 4th Batch of 2022-24.

Our Vision:

- To know the community in which they work.
- To ascertain the needs and problems of the community and involve them to develop problem-solving skills.
- To grow among themselves a sense of social and civic responsibility.
- To grow competence required for group-living and sharing of responsibilities.

Our Mission:

The Motto of NSS "**Not Me But You**" reflects the essence of democratic living and upholds the need for selfless service. NSS helps students develop appreciation to others point of view and also show consideration to other living beings.

G H Raisonni University, National service Scheme (NSS) adopted 7 villages for the purpose of community services and development which are: **Saikheda, Dhoda Borgaon, Yelkapar, Khaperkheda, Dhokdoh, Sitapar and Bothiya**

Activities:

Amrit Kalash Yatra

The Amrit Kalash Yatra, organized by NSS at Saikheda Village on October 27, 2023, aimed to collect soil from every household, symbolizing village unity. Coordinated by Mr. Avinash Mandal and Prof. Manohar Golait, the event involved 44 participants, including faculty members. It raised awareness about the Kalash Yatra's cultural significance, fostering community spirit. With enthusiastic participation from villagers, the event strengthened cultural preservation efforts. Thanks to the collaborative efforts of volunteers and villagers, led by GHRUS Vice-Chancellor Dr. Meena Rajesh and Registrar Dr. Shriram Joshi, the event was a resounding success.

Blood Donation Camp 2023

A blood donation camp was successfully organized by G H Raisonni University in collaboration with HDFC Bank at the GHRU Saikheda campus on November 7, 2023, from 10:30 am to 4:30 pm. The event saw active participation from Mr. Avinash Mandal, Prof. Manohar Golait, Dr. Sahab Singh Pippal, Prof. Akansha Bondade, Prof. Hitesh Karwande, Prof. Mona Gajbhiye, and other NSS coordinators. The camp received valuable support from the blood bank team of JIWAN JYOTI BLOOD BANK, NAGPUR. Dr. Meena Rajesh, Vice-Chancellor of GHRU, and Dr. Shriram Joshi, Registrar of GHRU, inaugurated the event and extended their support. A total of 64 candidates donated blood without experiencing any health issues or reactions, making the camp a success. Special thanks were extended to all participants and Mr. Sanjay Das for his assistance in arranging lunch. Additionally, the Amrit Kalash Yatra organized by NSS aimed to strengthen community spirit and unity among villagers, with 44 participants attending the event. We extend our gratitude to all involved for their dedication and contributions to both events.

National Environment Youth Parliament-2024 (NEYP-2024) || Level 1 (Prelims at University- level)

As per UGC letter no. D.O.No.1-1/2023 (secy) dated 27.10.2023, GHRU, Saikheda conducted Level 1 (Prelims at University-level) of the National Environment Youth Parliament-2024 (NEYP-2024) from 6th to 9th November 2023. The School NSS Coordinators successfully organized the Online Essay Writing Competition on 8th and 9th November 2023. Participants engaged in critical thinking on environmental issues. The competition facilitated dialogue and creativity among students, aligning with the NEYP-2024 theme.

National Youth Day

The National Youth Day was celebrated in Seminar Hall, G H Raisonni University, Saikheda, on 12/01/2024 at 11:00 AM. The event featured Prof. Manohar Golait as the Guest Speaker. Prof. Golait delivered an inspiring speech, highlighting the importance of youth empowerment and leadership development. Participants engaged in interactive discussions and activities aimed at fostering personal growth and societal contribution. The celebration served as a platform for youth to reflect on Swami Vivekananda's teachings and ideals, motivating them to strive for excellence and contribute positively to society.

Voting Awareness Camp

The National Service Scheme (NSS) at G H Raisoni University, Saikheda Campus, organized a Voting Awareness Campaign on 12th and 13th March from 11:00 AM to 1:00 PM. The objective was to ensure universal enlightened participation of youth in elections, particularly targeting first-time voters. Conducted in collaboration with the Ministry of Education and the Ministry of Youth Affairs, the campaign aimed to encourage active participation in the 18th Lok Sabha Election. Law Students Zeeshan Patel and Darshan Munhot from SOL, GHRUS, facilitated interactive sessions. Mr. Avinash Mandal, NSS Head, along with Prof. Manohar Golait, NSS Co-coordinator, coordinated the event. The campaign received enthusiastic participation from 200 first-time voters, empowering them to make informed choices and contributing to democratic values and civic engagement. We extend our gratitude to all participants, resource persons, and coordinators for their valuable contributions.

Health Awareness Camp

The National Service Scheme (NSS) organized a Health Awareness Camp at G H Raisoni University, Saikheda Campus, on 13th March from 11:00 AM onwards. The objective was to check the health status of school-going children in Saikheda village through various assessments including blood tests, BP tests, and BMI measurements. Coordinated by Mr. Avinash Mandal, NSS Head, along with Prof. Manohar Golait, NSS Co-coordinator, and other NSS coordinators, the camp aimed to fulfill the NAAC criteria for Extension Activities (3.6). Although no resource person was available, the camp provided valuable insights into the health status of the children and raised awareness about the importance of regular health check-ups and maintaining a healthy lifestyle. Overall, the Health Awareness Camp was a successful initiative, benefiting the participants and contributing to community well-being. Continued efforts are essential to address the health needs of the local community and promote a culture of wellness.

National Vaccination Day

The National Service Scheme (NSS) organized the National Vaccination Day event in Narayanwar Pipla Village on 16th March from 11:00 AM onwards. The event aimed to spread awareness about the importance of vaccination through a rally, targeting the common villagers of Narayanwar Pipla. Coordinated by Mr. Avinash Mandal, NSS Head, along with Prof. Manohar Golait, NSS Co-coordinator, and other NSS coordinators, the event contributed to fulfilling the NAAC criteria for Extension Activities (3.6). Although no resource person was available, the rally effectively raised awareness among villagers about the benefits of vaccination in preventing diseases and protecting public health. It also helped dispel myths and misconceptions surrounding vaccines, promoting greater acceptance and uptake of vaccination services in the community. In conclusion, the National Vaccination Day event was a successful initiative that effectively promoted vaccination awareness in the community, addressing healthcare challenges and promoting public health initiatives in rural areas. Continued efforts are essential to sustain and expand such initiatives for the well-being and development of society.

Self Defense Training

The NSS conducted a Self Defense Training event on March 21st at the Seminar Hall, GHRU, Saikheda, starting at 11:00 AM. It aimed to equip NSS volunteers with self-defense techniques, situational awareness, and confidence-building exercises. Mr. Ramkrishnan Khadse and his team were the resource persons. 150 NSS volunteers participated, coordinated by Mr. Avinash Mandal and Prof. Manohar Golait, along with other NSS coordinators. The event fulfilled the NAAC Extension Activities criteria. The training significantly impacted volunteers, providing essential skills to handle threats and boosting confidence. Participants learned practical techniques for situational awareness, enhancing their ability to respond ef-

fectively. The exercises fostered self-assurance and resilience, empowering volunteers in personal and NSS activities. Overall, the event enhanced volunteer safety and well-being, contributing to a stronger community. Future initiatives should continue to prioritize volunteer development, ensuring NSS's ongoing impact and effectiveness in community service.

Extra-Curricular Activities:

Sr. No	Activity	Photo
2	<p>HPV Vaccination Drive: The HPV Vaccination Drive organized by the National Service Scheme (NSS) at Mangalwari Campus was successfully conducted on December 11, 2023. The event aimed to provide Human Papillomavirus (HPV) vaccinations to female students under the age of 19 for the prevention of cervical cancer. The drive took place at Mangalwari Campus, with specific time slots allocated for the vaccinations. The event was executed with the support of medical professionals and a dedicated NSS team. The vaccinations were administered efficiently, ensuring a smooth and organized process</p>	
3	<p>Youth Day Celebration: The “Youth Day “ celebration held at G.h.Raisonni University ,Saikheda was a resounding success, bringing together enthusiastic and energetic young individuals from diverse backgrounds. The event, organized by SoET, SoP, SoN and SoAS, aimed to inspire, empower, and celebrate the spirit of youth, drawing inspiration from the teachings of Swami Vivekananda .</p>	
4	<p>Vishv Hindi Divas: “Vishv Hindi Divas” was organized by G H Raisonni university, Saikheda campus on dated 10 January 2024 from 10:30 am . The celebration was successfully done with the help of Dr. Arvind Bodhe(Dean SoT) ,Prof. Akansha Bondade,. (NSS Co-coordinator)</p>	

5	<p>"Voting Awareness Program": Summary:</p> <p>"Voting Awareness Program" was organized by G H Raisonni university, Saikheda campus on dated 12 March 2024 from 11:00 am . The celebration was successfully done with the help of Mr. Avinash Mandal ,Dr. Arvind Bodhe(Dean SoET) ,Prof. Akansha Bondade,. (NSS Incharge) , NSS students volunteers SoET. The "Voting Awareness Program" was initiated with the aim of promoting voter education and engagement among college students. Recognizing the significance of active participation in the democratic process, the program sought to inform and motivate students to exercise their voting rights responsibly. The "Voting Awareness Program" has played a vital role in empowering college students to become active participants in the democratic process.</p>	
6	<p>"National Vaccination Day": Summary:</p> <p>"National Vaccination Day" was observed on 16 March 2023 with the aim of promoting vaccination awareness and increasing immunization coverage among the population. The day served as an opportunity to highlight the importance of vaccines in preventing infectious diseases and protecting public health. The "National Vaccination Day" event organized by G.H. Raisonni University on dated 16 March 2024 from 11:00 am at Pipla Village..</p>	
7	<p>"Self Defence Training Program": "Self-Defence Training Program" organized on 21 March 2024 at G.H. Raisonni University Saikheda under the National Service Scheme , with the participation of over 100 NSS volunteers. Mr. Ramkrushnana Khadse and his team's assistance must have been invaluable in providing guidance during the sessions. The inclusion of various defence techniques such as blocks, kicks, and punches reflects a comprehensive approach to skill-building.</p>

Guest Lecture

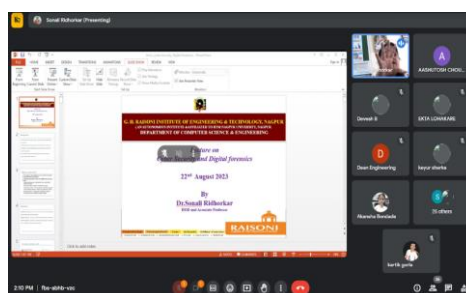

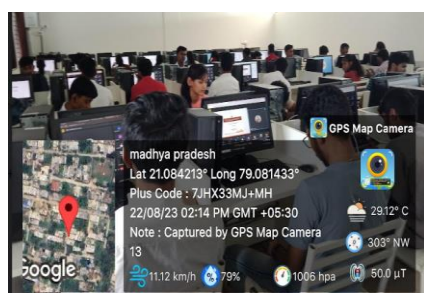

1) CRM: Currently Trending development in IT Industry

A central focus of the lecture was the integration of advanced technologies into CRM processes. This includes artificial intelligence, machine learning, and automation, which are revolutionizing customer interactions and satisfaction. By delving into real-world examples and case studies, participants gained valuable insights into how IT companies are harnessing these technologies to optimize CRM practices.

2) Cybersecurity and Digital Forensics

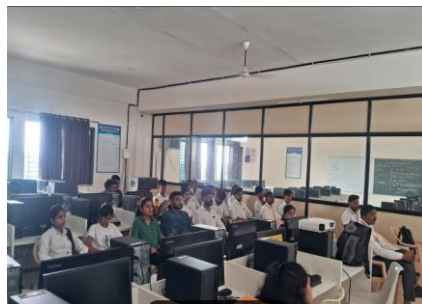

This guest lecture program seems well-structured and tailored to the needs of students pursuing careers in cybersecurity and digital forensics. It combines theory with practical experience and aims to prepare students for success in their future professions. Such initiatives play a vital role in bridging the gap between academic learning and real-world application, ultimately benefiting both students and the field of cybersecurity and digital forensics. Overall, this guest lecture session appears well-organized and designed to equip students with the necessary skills and knowledge to succeed in their future careers. *From B.Tech CSE Students are actively participated this program*

3. Project Development and assessment

The Expert **Mr. Milind Samrit** guided the students. he shown PPT and demonstrated about software development life cycle. Around 28 students had participated on the workshop 4th year

students of Computer science Engineering Branch student. The guest lecture begins with introductory PPT on the subject of how to develop project .

3. Mistakes of an Engineer

Engineers, like professionals in any field, can make a range of mistakes that can have varying degrees of impact. Here's a summary of common mistakes engineers might make:

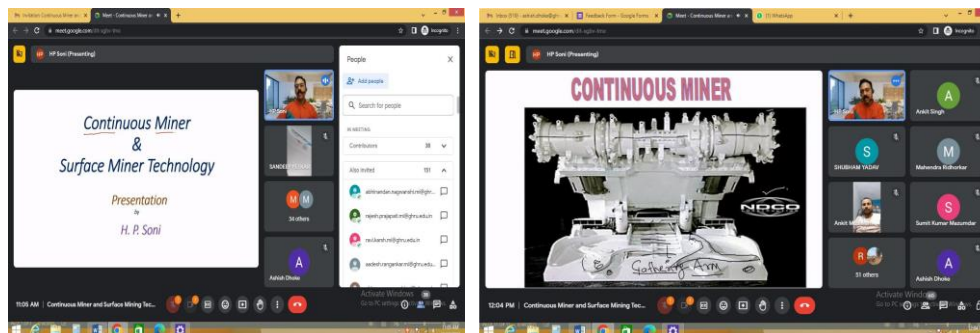

Design Flaws: Errors in the design phase can lead to costly rework or even project failure. These flaws could stem from incomplete requirements gathering, inadequate analysis, or overlooking critical variables.

Poor Communication: Engineers may fail to effectively communicate with team members, clients, or stakeholders, leading to misunderstandings, delays, or mismatched expectations.

4 Continuos Miners & Surface Mining Technology

Er. H. P. Soni, drawing on his extensive expertise and rich experience in the coal mining sector, elucidated upon the transformative impact of Continuous Miner and Surface Mining technology on the contemporary mining landscape. The lecture was attended by faculty members, scholars, and enthusiastic students, who actively participated in the discourse and interacted with the speaker, fostering an enriching learning environment.

5 Plans, Section & Geological Disturbances in Mines

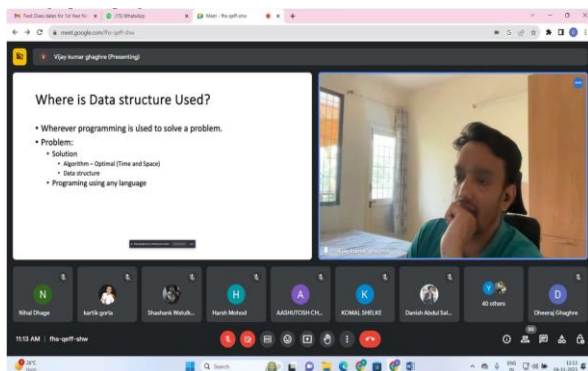

The lecture concluded with an engaging Q&A session, during which the audience actively participated and sought clarifications on various aspects of the topic. Mr. Debjyoti Dutta comprehensive responses and insightful explanations further enriched the understanding of the audience.

The event was an invaluable opportunity for the students and faculty members to gain profound insights into the latest advancements in the field of mining technology. The School of Engineering and Technology expresses its heartfelt gratitude to Mr. Debjyoti Dutta for his invaluable contribution and looks forward to hosting more such enlightening sessions in the future

6 Career Guidance: Role of data Structure in IT Industry thinking.

The presenter highlighted the significance of staying updated with the latest trends and best practices in data structures, enabling participants to remain competitive in the IT industry. The guest speaker shared personal experiences and anecdotes from their career journey, providing valuable real-world insights and practical advice. Practical guidance was offered on how to present data structure skills on resumes and excel in job interviews. This segment was particularly helpful for participants in the job-seeking phase. An interactive Q&A session allowed participants to clarify doubts and seek personalized advice on their career goals and data structure-related queries.

7 Method of Working

The event was an invaluable opportunity for the students and faculty members to gain profound insights into the latest advancements in the field of mining technology. The School of Engineering and Technology expresses its heartfelt gratitude to Mr K.N.Prasad for his invaluable contribution and looks forward to hosting more such enlightening sessions in the future

Operational Challenges and Solutions: The speaker delved into the challenges faced by the mining industry and how to encounter of geological disturbance elucidated practical solutions and best practices to address these challenges, ensuring sustainable and responsible mining practices.

8 Proposal background for LinkedIn Masterclass

The guest lecture was structured to include a presentation by Mr. Darwai followed by an interactive Q&A session, enabling participants to engage directly with the speaker and delve deeper into the subject matter.

Overall, the Linked Masterclass Guest Lecture featuring Mr. Vivek Darwai proved to be an enriching and insightful event, aligning perfectly with the objectives of knowledge dissemination and professional development.

9. Innovative utilization of fly ash in concrete Tiles for sustainable construction

The benefits of using fly ash in concrete tiles were discussed comprehensively. These include improved workability, increased durability, enhanced strength, and reduced environmental impact compared to conventional concrete tiles. The lecture emphasized the importance of sustainable construction practices in mitigating the adverse effects of urbanization on the environment. Incorporating fly ash in concrete tile production aligns with the principles of sustainable development by minimizing waste generation and reducing greenhouse gas emissions. Several case studies and success stories were presented to illustrate real-world applications of fly ash in concrete tile manufacturing. These examples showcased the economic viability and environmental benefits of adopting such innovative approaches.

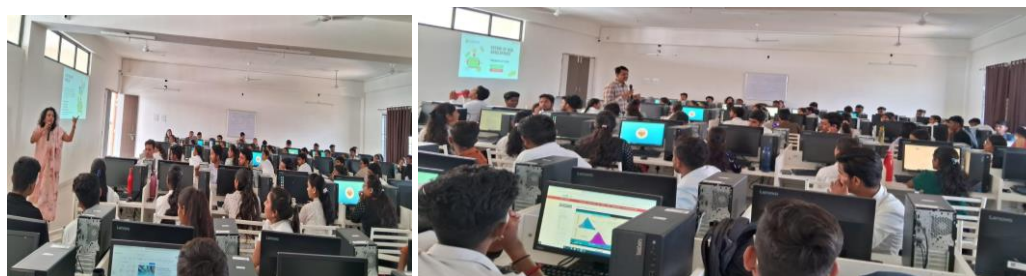

10. Advance Communication Technique

The Advanced Communication Techniques program provided participants with comprehensive training in key areas essential for effective communication in modern environments. By addressing challenges in signal transmission, protocol proficiency, signal processing, adoption of next-generation technologies, and system performance optimization, participants gained valuable skills and knowledge

11. MERN Full Stack Developer

The MERN Full Stack Developer training program spanned over several weeks, during which participants were immersed in an intensive learning experience. Throughout the training, participants were guided by experienced instructors and mentors who provided valuable insights and feedback. Hands-on projects allowed them to apply their knowledge and skills in real-world scenarios, thereby solidifying their understanding of the MERN stack.

12. Workshop : QualityTools for Engineers

The subsequent steps involve selecting a problem, defining it, analyzing it, identifying its cause,

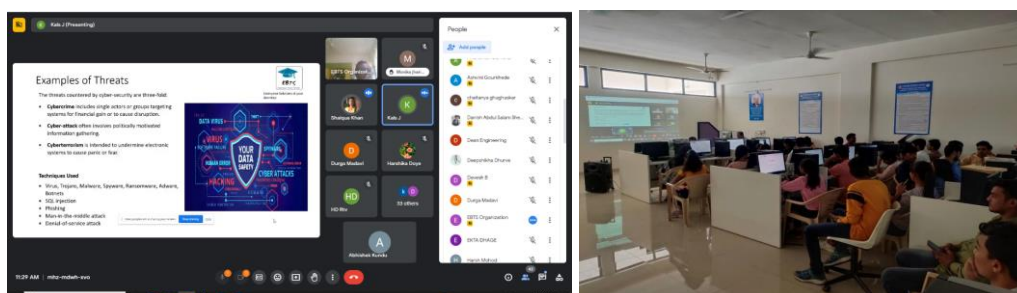

finding the root cause, analyzing data, developing a solution, foreseeing potential resistance, conducting trial and regular implementations, and performing follow-up and review.

Mr. Sushil, illustrated these steps using a comprehensive case study, encouraging staff and students to form Quality Circles to collaboratively tackle challenges.

13 Cybersecurity and its Application in Today's Industry

The session entailed a comprehensive exploration of the diverse applications of cybersecurity within various industries. The discussion delved into how cybersecurity has evolved into a critical component of modern business landscapes. Attendees gained insights into the dynamic ways cybersecurity strategies are tailored to suit the unique needs of industries such as finance, healthcare, energy, manufacturing, and more

Industrial Visit:

1) Mine Rescue Station

All the student move towards the Practical Demonstration of Rescue System & its Operation Apparatus Like BG -174, BG-74, Tube Apparatus, Self-Rescuer Dager 810, Self-Contained Breathing Apparatus Model Spiral 2C Apparatus-PROTO MARK IV, Chemical Oxygen Breathing Apparatus AUER/SAR-30, Gas-Mask, Reviving Apparatus (Novax Twin Cylinder reviving Apparatus, Pulmotor Reviving Apparatus

Oxygen required 18-16 % CO₂ 3-5 % (it is proportaniol to the O₂) used & Nitrogen 79%

2 MSRAC, Nagpur

The objective of remote sensing applications is to gather information about the Earth's surface and atmosphere from a distance, typically using sensors on satellites, aircraft, drones, or ground-based platforms. Remote sensing technology allows us to collect data and images without direct physical contact with the objects or areas of interest.

3 Shivam Food

Overall, the industrial visit to Shivam Food Pvt Ltd could provide students with a holistic understanding of the food industry, from production and quality control to market dynamics and corporate responsibility. It could also inspire students to consider potential career paths in food manufacturing, quality assurance, supply chain management, or product development.

4 SMV Beverages PVT Ltd, Saoner. District. Nagpur

The School of Engineering & Technology, G H Raisoni University Saikheda(MP) has organized a one day Industrial Visit at SMV Beverages, MIDC Saoner, for the students of B.Tech and Diploma of First Year department of School of Engineering & Technology. Students Got

all the insights about the complete process of the beverage company, machinery requirements, Infrastructure and water treatment, automation and use of sensors in the Industry.

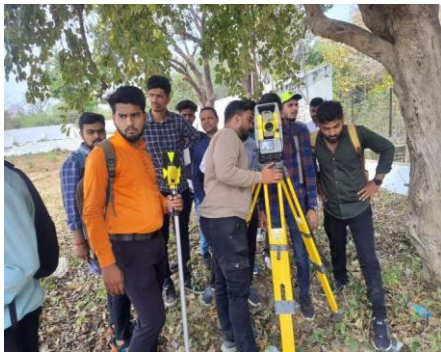

5 **Geological Survey Of India, Industrial Visit” By Mining Department**

The industrial visit to the Geological Survey of India (GSI) in Nagpur provided a valuable learning opportunity for mining engineering students. The GSI is renowned for its expertise in geological exploration and mapping, essential for various sectors including mining

6 3 days survey camp conducted at adasa u/g to opencast mine and saoner mine by department of mining in collaboration with wcl coal india limited

Department of Mining Engineering in collaboration with Western Coalfield Limited (WCL), Coal India Limited for the students of B.Tech Mining Engineering [8th SEM] for 3 days in order to get the practical knowledge about “**Mine Surveying**” carried out by Saoner Area U/G Mine No. 03 (WCL) under Assistant Manager of Survey Department Mr. Debjyoti Dutta

7 AT KORADI POWER PLANT NAGPUR BY FIRST YEAR BTECH

The industrial visit to Koradi Power Plant in Nagpur provided a valuable learning opportunity for mining engineering students. The KPTS is renowned for its expertise in Power generation (660, 540 and 450 MW).

During the visit, students gained insights into the different facts of power generation and its importance in the various industry. They were introduced to various techniques employed in power generation

L and D (Learning And Development Program)

1) **Maintain the Work and health**

This lecture aims to provide a comprehensive overview of strategies to maintain employee work and personal health with a specific focus on acupuncture. As the Director of NMA Distributors Pvt. Ltd, Mr. Vipin Aneja, understanding and prioritizing the well-being of employees is crucial for ensuring productivity, satisfaction, & long-term success.

2) **“Synergy in Industry 4.0: Integrating Core Engineering Disciplines for Sustainable Innovation”.**

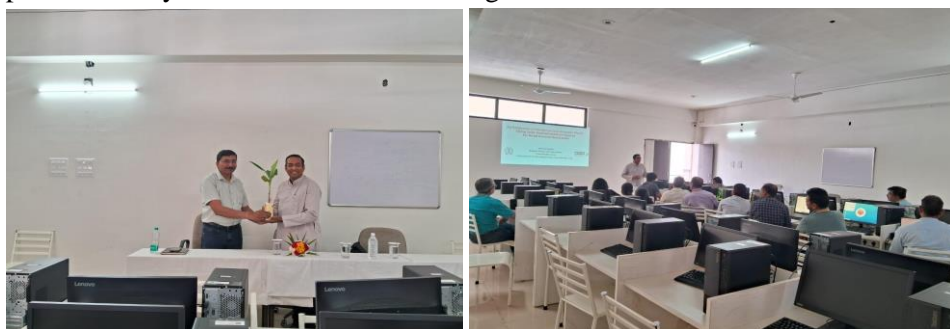

By addressing these objectives, we aim to foster a deeper understanding of the role of synergy in Industry 4.0 and inspire meaningful discussions on how we can harness the collective power of engineering disciplines to drive sustainable innovation.

Once again, I extend my sincere thanks to Er. Swapnil Udupurkar for graciously accepting our invitation to share his expertise with us today. Without further ado, let us begin our journey into the realm of synergy in Industry 4.0

3 "Empowering Rural Livelihoods Through Hydrodistillation: Engineering and Technological Extraction".

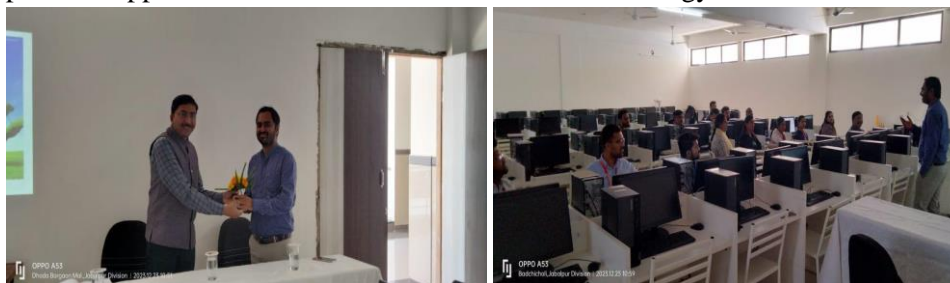

The Faculty Learning and Development Program welcomed Vikrant Pradip Katekar, Director of the Green Energy Environment Technology Action Research Association from Nagpur, for a discussion on "Empowering Rural Livelihoods Through Hydrodistillation: Engineering and Technological Extraction". Hosted by Samta Ramteke and Arvind Bodhe, the event aimed to explore the potential of hydrodistillation in enhancing rural livelihoods.

4 "Solar Energy Awareness Program: Strategies For Public Engagement And Education"

Increase Understanding of Solar Energy Principles and Benefits: Er. Ganjre provided comprehensive insights into the fundamental principles and benefits of solar energy, aiming to enhance the audience's understanding of its significance.

Promote Solar Adoption in Residential and Commercial Sectors: The speaker emphasized the importance of widespread solar adoption in both residential and commercial sectors, discussing the practical applications and economic benefits of solar energy.

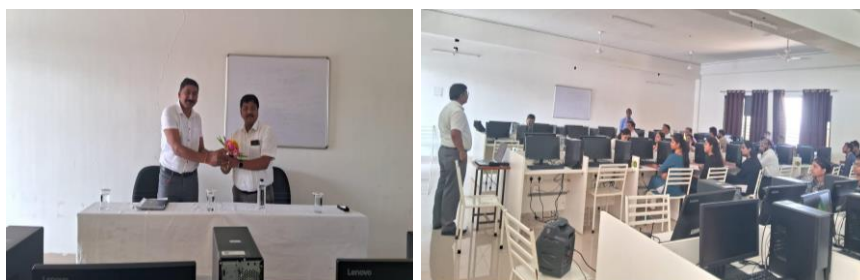

5 "Tools And Techniques For Research".

Surveys and Questionnaires: Online platforms such as Google Forms, SurveyMonkey, or Qualtrics

facilitate the creation and distribution of surveys to gather quantitative or qualitative data from respondents.

Interviewing Software: Tools like Zoom, Skype, or Microsoft Teams enable researchers to conduct interviews remotely and record audio or video for transcription and analysis.

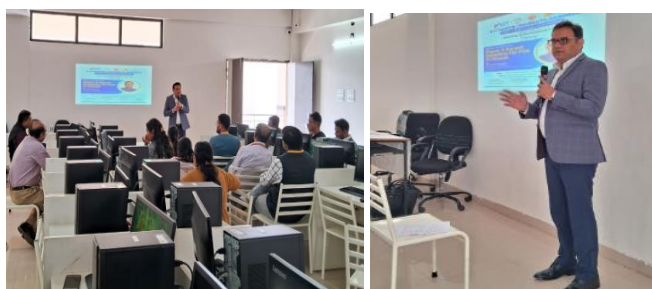

Observation Tools: Software applications like Noldus Observer or JWatcher aid in systematic observation and data collection in fields such as behavioral sciences or ethnography.

7 Degree and Beyond: A Path to Success

Importance of Education: Emphasize the role of formal education in building a strong foundation for future success. Discuss how obtaining a degree opens doors to various opportunities and career paths.

Career Planning: Explore the significance of career planning and how it aligns with the pursuit of a degree. Discuss the role of faculty in guiding students towards suitable career paths.

8 "Innovative In Cycle Technology "

He highlighted the broader impact of adopting solar-powered e-bicycles, including improved air quality, reduced traffic congestion, and enhanced accessibility to clean transportation options.

The event concluded with an engaging Q&A session, during which attendees had the opportunity to interact with Mr. Hemant Zunjurkar and gain further clarity on various aspects of cycle technology and sustainable mobility.

9 "Innovation in identifying potential engineering Students"

Dr. Nandakishor Mankar's session on innovation in identifying potential in engineering students offered valuable perspectives and practical strategies for faculty members striving to empower their students to thrive academically and professionally. The insights shared during the session are poised to inform and enrich faculty practices, ultimately contributing to the holistic development of engineering student.

Name of Event: One week Faculty Development Program

Name of the Invited Speakers:

1. Dr. Madhavi Gokhale Program Head, Narsee Monjee Institute of Management Studies, Mumbai.
2. Dr. Anwar R. Shaikh Professor & HOD Department of Pharmaceutical Chemistry, Allana College of Pharmacy, Pune (YouTube Channel: ICT Tools for Teachers and Students)
3. Victor Francis, International Trainer and Consultant
4. Shri. Y.B. Baghel Assistant Director, IEDS Govt. of India, MSME Nagpur Division, Nagpur
5. Dr. Sujit G. Metre Principal, Shri Binzani City College, Nagpur

Date and Time of the event: 18/03/2024 to 23/03/24

Venue: GHRU Saikheda & DBCOP Nagpur

Event type: FDP

Summary

Enhanced Pedagogical Skills: Participants gained a deeper understanding of effective teaching strategies and innovative instructional techniques. Improved Research Capabilities: Participants acquired new research methodologies and tools, enabling them to conduct high-quality research projects. Professional Growth: The FDP contributed to the personal and professional development of participants, empowering them to excel in their roles as educators and researchers. Networking Opportunities: Participants established meaningful connections with colleagues from diverse backgrounds, paving the way for future collaborations and partnership

The Faculty Development Programme was a resounding success, achieving its objectives of enhancing pedagogical skills, fostering start-up ideas, and promoting professional development among faculty members. The program provided a platform for continuous learning, collaboration, and growth, empowering participants to excel in their academic and professional endeavours.

8. Industrial Visit

A) Activity Conducted at School

Name of the Department: SOP

Name of the Event: Industrial Visit

Venue: Go-Vigyan Anusandhan Kendra and Research Centre, Deolapar, Teh- Ramtek, Dist- Nagpur (MH).

Date and Time: 13 October 2023, 08:30 a.m. to 05:00 p.m.

Kendra Head/Secretary: Shri Santkumar Gupta

Name of the Coordinator: Mr. Amol There

Name of the Co-coordinator: Ms. Deepika Devnani, Ms. Hemlata More

Summary The Industrial visit to Go-vigyan Anusandhan Kendra Deolapar has been organized

by School of Pharmacy GHRU, Saikheda (MP) under the banner of IIIC and IIC on date 13 Oct 2023. We were so fortunate that Shri Santkumar Gupta, secretary of Kendra provided us an opportunity to visit Go-vigyan Anusandhan Kendra. We expressed our gratitude to the staff members for imparting the working knowledge on Go-vigyan during the visit.

Students got exposed to the innovation and research process, the products prepared from cow milk and urine. the students had observed and got acquainted with the interdisciplinary role in preparation of ayurvedic medicines.

B) Name of the Event: Industrial Visit

Venue: Arco Life Sciences, C-86, MIDC, Hingna, Nagpur.

Date and Time: 10/02/2024 & 11:00 am to 02:00 pm.

Resource Persons: Shri. S.M. Thakur & Ms. Seema Madam

Name of the Event Coordinator: Mr. Amol There, Ms. Sapna Pal, Ms. Mrunal Ade

Summary: The visit was conducted on Saturday, date 10/02/2024 during the time period 11:

00 a.m. to 2:00 p.m. under the guidance of faculty members.

All the students were exposed to and got the knowledge on WHO-GMP certified manufacturing of parenteral products for small volume ampoules and vials preparation.

Students were perceived the knowledge on the manufacturing of parenteral like filling of vials or ampoules, sealing, sterilization process by autoclave, labelling and packaging of products.

We are indebted to the directors of the company Shri. Narendra Dulachand Agarwal and Smt. Manju Narendra Agarwal.

9. Guest Lectures

A) Name of the Event: Guest Lecture on “Career Opportunities in Pharma & Allied Sectors”

Venue: Seminar Hall, GHRU Saikheda.

Date and Time: 04/04/2024, Saturday, From 2:00 PM Onwards.

Resource Person (if Applicable): Dr. Narendra D. Agrawal CEO, Arco Lifesciences, Nagpur.

Summary

Dr. Narendra Agrawal give the brief about Career Opportunities in Pharma sectors.

He was explained by giving examples like Candidates who want to make career in the health care sector, then pharmacy is an excellent domain. During the COVID-19 pandemic where other industries were facing a tremendous financial crisis the same pharmaceutical industries were achieving stellar financial objectives. In fact, the pharmaceutical market is growing exponentially.

**B) Name of Event: Guest Lecture on “Safety Surveillance System for Medical Products”**

Name of the invited speaker: Mr. Maneesh Soni, Immunization Technical Support Unit Ministry of Health & Family Welfare, Research Associate – Pharmacovigilance, New Delhi-110070

Date and Time of the event: 30/11/2023 (Thursday), 11.00 A.M. Onwards

Venue: Seminar Hall, 1st Floor, GHRU, Saikheda, M.P.

Event type: Workshop (Online mode)

Summary

At the start of the ceremony, the audience and participants were welcomed. Online delivery of the guest lecture was used. Ms. Mona Salwatkar greets the visitor. The guest lecturer started off by describing the medical surveillance, drug development, clinical research, adverse drug reaction reports, materiovigilance, signal detection, data recording, patient safety and government setup opportunities. Overall, it was a knowledgeable and Informative workshop. The guest gives the information on various government opportunities.

The program was essentially completed during the Q&A session. On a topic that was highly useful and knowledgeable, students raised questions and received thoughtful, knowledgeable responses. In the previous, Ms. Manisha Kawadkar expressed gratitude.

Date and Time: 04/04/2024, Monday, From 11.00 AM Onwards.

Resource Person (if Applicable): Ms. Nisha Borikar, Ms. Krutika Channe and Mr. Mahendra Gawai

Summary

As we planned an Alumni – Student Interaction Meet organized by Training & Placement Cell School of Pharmacy. The event we planned in Seminar hall.

Mr. Mahendra Gawai our diploma pass-out student has encourage students about how to communicate with others. As he is doing MR-ship so he has more discussed on product value. That how to communicate with people so they purchase their product & increased sales demand.

Glimpses of Workshop

Extra-Curricular Activities

1. Activity Conducted by National Service Scheme (NSS)

Name of the Department: National Service Scheme (NSS)

Name of the Event: National Hindi Day

Venue: Seminar Hall of G H Raison University

Date and Time: 10th January, 11:00 AM-12:30 PM

Summary

The National Hindi Day organized by the National Service Scheme (NSS) at G H Raison University Saikheda, was conducted on January 10th, 2024, from 11:00 AM to 12:30 PM.

The significance of National Hindi Day is multifaceted, with various factors contributing to its tremendous importance in India. The goal of World Hindi Day (WHD), also known as Vishwa Hindi Diwas (VHD), is to raise awareness of the Hindi language globally on January 10th of each year. In contrast, Hindi Diwas, which is observed on September 14 every year, is primarily focused on the recognition of Hindi as a language in India.

As the day concludes the spirit of honoring and promoting Hindi. Its richness and significance continues, fostering pride and appreciation for this language that bridges communities and embodies the nation's diversity.

Name of the Event: “Youth Day”

Venue: GHRU, Saikheda

Date and Time: 12 January 2024, 3pm

Resource Person (if Applicable): Mr. Mahohar Galait, Dean IQAC

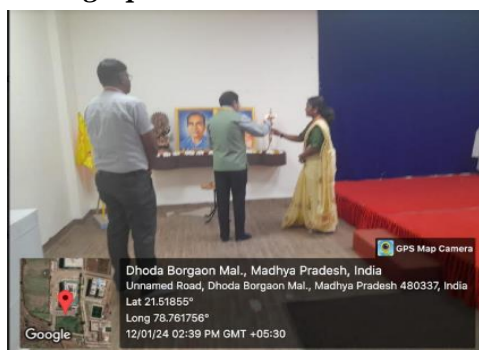

Summary

The “Youth Day” celebration held at G H Raisonni University, Saikheda was a resounding success, bringing together enthusiastic and energetic young individuals from diverse backgrounds

The speaker shed light on the timeless wisdom of Swami Vivekananda, connecting it to the challenges and opportunities faced by today's youth.

The importance of embodying Swami Vivekananda's teachings in daily life was reiterated, emphasizing the responsibility of the youth in shaping a positive future.

Photographs

Name of the Event: Self Defence Training Program

Venue: GHRU, Saikheda

Date and Time: 21 March 2024

Summary

“Self-Defence Training Program” organized on **21 March 2024** at **G.H. Raisonni University Saikheda** under the **National Service Scheme**, **Mr. Ramkrushnana Khadse** and his team's assistance must have been invaluable in providing guidance during the sessions. The inclusion of various defence techniques such as blocks, kicks, and punches reflects a comprehensive approach to skill-building. The primary aim of such a program-to develop self-defence techniques and enhance self-confidence among students-is commendable. Acknowledgment from esteemed figures like **Dr. Meena Rajesh (Vice Chancellor, GHRU)**, **Mr. Shriram Joshi (Registrar, GHRU)**, and **Dr. D.C Sahu (Dean SoP)**, underscores the significance of such initiatives within the university community.

Photographs:

Event: Incubation Centre Visit 2023-2024

Date and Time: 7/2/2024 (Wednesday), 10 am onwards

Venue: Incubation Centre, RTMNU, Nagpur.

Summary

The first-year B. Pharm students participated in the **INCUBATION CENTRE VISIT 2023-24** on 7th **February 2024**, at the **RTMNU Incubation Centre in Nagpur**. The visit to the Incubation centre was effectively completed by the School of Pharmacy, GHRUS; MP. Students explored the layout of the Incubation Centre and learned about funding bids, project management, and the benefits of working in an Incubation Centre. Additionally, students had one-on-one conversations with the inventors and asked questions about their initiatives. The permission was given to visit and were given guidance and introductions to the students by Mr. Keshav Bais, the In-charge of the Incubation Centre at RTMNU, Nagpur.

Photos:

Name of the Event: Hospital Visit 2023-24

Venue: Civil Hospital, Sausar, Dist. Chhindwara.

Date and Time: 6/2/2024 (Tuesday), 10 am onwards

Summary

The activity of “**Hospital Visit 2024**” was organized on date 6th February, 2024 at Civil Hospital, Sausar, District Chhindwara, M.P. for the students of D. Pharm 1st year and 2nd year. The motive of the visit was mainly to aware the students regarding the hospital and Pharmacy department working. Block Medical Officer, Civil Hospital, Sausar permitted to visit the hospital through communication. The hospital visit was introduced by Pharmacist Mr. Sanjeev. They explored the layout of hospital, operation theatre, types of various medicines, storage, stock maintenance, expiry, billing, documentation, arrangements, patient handling, in pharmacy store. The Students updated with different departments in the hospital, the pathology laboratories, blood storage unit, children, maternity, sonography, vaccination wards, etc. The knowledge of various departments has been provided by the specialist person in the particular unit.

Activity Conducted at School

Name of the Department: School of Pharmacy

Name of the Event: Orientation of NPTEL course January 2024

Venue: G H Raisoni University, Saikheda, Madhya Pradesh

Date and Time: 12-Feb-24 from 11 pm to 4.45 pm

Resource Person (if Applicable): Prof. Ganesh K. Derkar, Swayam NPTEL Co-ordinator, GHRU Saikheda

Name of the Event Coordinator: Ms. Bhavna Raut, NPTEL School, Coordinator, SOP, GHRU Saikheda

Total Number of Participants: 256

Objectives of the Event

1. Guiding about NPTEL courses benefits and necessity in accordance to future prospect.
2. To expand learning and brushing up on existing knowledge.
3. To equip them with necessary skills and make them ready for job market.
4. To enable the students to join the mainstream of the knowledge economy.

Event: Essay Completion

Topic: Pharmacy Ethics and Entrepreneurial Decisions

Date and Time of the event: 22/11/2023 (Wednesday), 3-4pm onwards

Venue: Classroom T-4, 3rd Floor, GHRU, Saikheda, M.P.

Event type: offline mode

Summary: The program “National Pharmacy Week 2023” was organised for date 22-24 of November, 2023. **Essay Writing Competition** was one of the event organised on the topic “Pharmacy Ethics and Entrepreneurial Decision” the event co-ordinator was **Ms. Prerna Patil**, Assistant Professor, IIC Coordinator, GHRUS, MP. The essay competition was conducted in classroom T-4, 3rd floor, GHRUS, MP on the offline mode. Total 20 students participated in the essay competition. Miss. Sharau S. Dalvi and Miss. Purvaja Fole were the winners and the runner up. The judge for the competition was Miss. Shubhangi Choudhari, Assistant Professor, GHRUS, MP. The students participated in the competition.

ARTICLE 5
TERMINATION

Any of the parties may terminate this MOU after giving at least thirty (30) days prior written notice to the other party of its intention to do so.

Termination of this MOU for any reason shall not relieve the parties of any obligations accruing prior to such termination.

This MOU shall be terminated on the date on which the respective rights and obligations of the parties shall terminate here-under.

ARTICLE 6
DISPUTE

Any dispute, controversy or claim arising out of or relating to this MOU shall be amicably settled by both parties through mutual negotiation.

ARTICLE 7
ASSIGNMENT AND NOTICE

Neither party hereto shall assign any of the rights under this MOU to any person or affiliate of the assigning party without the prior written consent of the other party, which shall not be unreasonably withheld.

Any notice under this MOU shall be in writing and shall be deemed sufficiently given when delivering to the other party at its address set forth in this MOU.

IN WITNESS, WHEREOF the parties hereto have hereunto set their respective hands in two original copies both being equally authentic on the day and year first written below:

“Industrial visit at the National Environmental Engineering Research Institute (NEERI), Nagpur.”

An industrial visit to the National Environmental Engineering Research Institute (NEERI), Nagpur was organized by the School of Science, G.H Raisonni University Saikheda.

The visit was planned on 11th April 2023. The mentors continuously encouraged and motivated the students. They were prompted to visit the research institute and get the knowledge about how the research works and conducted.

“Industrial visit for HRD Cell ICAR-CICR Wardha Road Nagpur.”

Industrial visit for HRD cell ICAR-CICR wardha road, Nagpur was organized by the School of Science, G.H Raisonni University Saikheda.

The visit was planned on 14/02/2024. The mentors continuously encouraged and motivated the students. They were prompted to visit the the cotton research station in Nagpur and explore innovative techniques and technologies in cotton cultivation and processing.

EXTRA CURRICULAR ACTIVITY

“National Sports Day Celebration”

National sports day celebration was organized by the School of Science, G.H Raisoni University Saikheda.

The visit was planned on 29/08/2023 from 1:00 pm onwards. The mentors continuously encouraged and motivated the students. They motivate students to participate in games and get knowledge about the recognition and appreciate the contributions to sports and importance of sports and its applications in everyday life.

GUEST LECTURE

“Introduction to Robotic Process Automation (RPA) and its use in IT and Business Processes”

The online guest lecture on introduction to robotic process automation (RPA) and its use in IT and business process was organized by School of Science, G.H.Raisonni University, Saikheda.

The visit was planned on 01/09/2023. The mentors continuously encouraged and motivated the students to attend the session. Students get knowledge about the recognition about Robotic Process Automation (RPA) and its use in IT and Business Processes.

“Career and Opportunities in Cyber Security”

The guest lecture on career and opportunities in cyber security was organized by School of Science, G.H.Raisonni University, Saikheda.

Guest lecture is organized on 27/10/2023. From this session speaker educate the students about the Career Opportunities in Cyber Security n IT industry.

Alumni Interactions

“Alumni Coffee Cup Meet”

The Alumni Coffee Cup Meet was organized by the School of Science, G.H.Raisoni University, Saikheda.

The Program was held on 09/09/2023 in the auditorium. From this meet students aware of the struggles people face after their academics. Alumni are great role models for current students and are often well placed to offer practical.Support to students as they start their careers.

Induction Program

“Phase II Propel 2023”

Phase II Propel 2023 program is organizes by School of Science, G.H.Raisoni University, Saikheda.

This program organized on 13/09/2023 at the institute premises. This program make the students aware of the academic aspects of the course, the rules and regulations of the School and ensuring monitoring the performance and progress of the students.

One day workshop on Hands on training on “Principle, Application and opportunities of HPLC Techniques’

One day workshop on hands on training on principle, application and opportunities of HPLC techniques was organized by School of Science, G.H.Raisonni University, Saikheda.

This program held on 16/10/2023. From this training program students learn basic importance of Instrumentation. Application of HPLC, application of GC, implementation of HPLC & GC, scope in Chemical and Pharmaceutical industry.

“Investor Awareness Programme”

The Investor Awareness programme was organized by School of Science, G.H.Raisonni University, Saikheda.

This webinar program held on 18/10/2023. From this webinar students learn about the safe investments that eventually help them to become a smart investor in the future.

One Day workshop on hands on training in “Salesforce Technology Admin & Development Module”

One day workshop on hands on training in Salesforce technology admin & development module was organized by School of Science, G.H.Raisoni University, Saikheda.

This program held on 18/10/2023. From this training program students able to participate with a comprehensive understanding of both the administrative and development aspects of a specific software or system.

LEARNING & DEVELOPMENT CELL

“Chemicals in product and waste management”

Chemicals in product and waste management was organized by School of Science, G. H. Raisoni University, Saikheda.

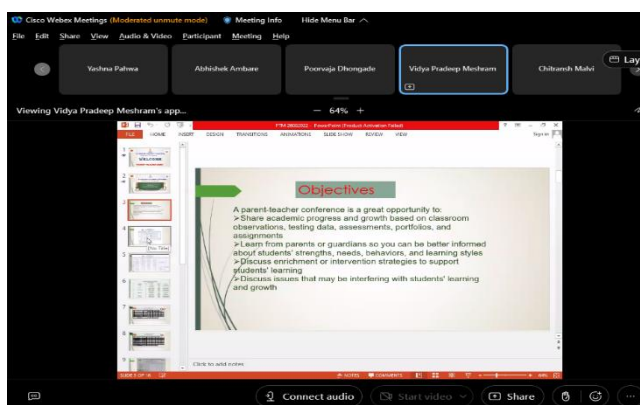

Program held on 28/10/2023. The session was to educate faculties about waste management, different types of waste generation in our day to day life, and how to mitigate or minimise waste.

“Parents Teachers Meet”

The Parents Teachers Meet was organized by School of Science, G.H.Raisoni University, Saikheda.

Parents Teachers Meet held on 13/12/2023 and it was for those students who have less than 75% attendance in classroom. This program held to discuss overall progress of student with their parents.

LEARNING & DEVELOPMENT CELL

“Network topology”

The Parents Teachers Meet was organized by School of Science, G.H.Raisoni University, Saikheda.

This program held on 9/12/2023. The session was to educate faculties about Network topology, network topology helps us to understand two things it allows us to understand different elements of our network and where they connect it also shows how each component interact and aids in perform management.

“Makarsankranti Haldi Kumkum Celebration”

The Makarsankranti haldi kumkum program was organized by School of Science, G.H.Raison University, Saikheda.

Program held on 16/01/2024. Faculties got aware about the scientific logics behind our traditions and celebrating festival of Makar Sankranti and wholeheartedly celebrated the festival which ultimately promoted co-operation and enthusiasm among the faculty members.

“Vasant Panchami Celebration”

The Vasant Panchami Celebration was organized by School of Science, G.H.Raison University, Saikheda.

Program held on 15/02/2024. The Vasant Panchami date reminds us of the importance of education and the pursuit of knowledge, encouraging individuals to embrace learning and intellectual growth.

Guest Lecture**Legal Research - Some Reflections**

Date: 23/10/2023

Event: Guest Lecture on Legal Research: Some Reflections

Speaker: Prof. (Dr.) Ravi Mor

Organized By: SOL, GHRUS

Coordinator: Dr. Deepak Taywade

Objective:

The guest lecture aimed to provide participants with insights into the process of legal research, emphasizing its significance, methods, and challenges. Prof. (Dr.) Ravi Mor shared his expertise and reflections on legal research, guiding participants on effective research practices and strategies.

Key Highlights:

- **Introduction to Legal Research:** Prof. (Dr.) Ravi Mor commenced the session by introducing the concept of legal research, highlighting its importance in legal academia, professional practice, and policy formulation. He emphasized the role of research in advancing legal knowledge, promoting critical thinking, and informing decision-making processes.
- **Research Methodology:** The speaker delved into various research methodologies and approaches commonly employed in legal research, including doctrinal, empirical, comparative, and interdisciplinary methods. He elucidated the strengths, limitations, and applicability of each method, encouraging participants to adopt a comprehensive and nuanced approach to research.
- **Research Design and Planning:** Prof. (Dr.) Ravi Mor emphasized the significance of research design and planning in conducting rigorous and systematic legal research. He discussed key considerations in research design, such as formulating research questions, defining objectives, selecting appropriate methodologies, and designing data collection instruments.
- **Data Collection and Analysis:** The speaker provided insights into effective data collection and analysis techniques relevant to legal research, including literature review, case analysis, content analysis, surveys, interviews, and focus groups. He emphasized the importance of critical engagement with sources, data triangulation, and maintaining research integrity.
- **Ethical Considerations:** Prof. (Dr.) Ravi Mor underscored the ethical dimensions of legal research, emphasizing the principles of academic integrity, confidentiality, informed consent, and respect for human subjects. He discussed ethical dilemmas commonly encountered in legal research and provided guidance on navigating ethical challenges responsibly.
- **Practical Tips and Recommendations:** The session concluded with practical tips, recommendations, and best practices for conducting effective legal research. Prof. (Dr.)

Ravi Mor shared insights from his own research experience, highlighting common pitfalls to avoid, resources to leverage, and strategies to enhance research productivity and impact.

Impact:

- The guest lecture provided participants with valuable insights into the theory and practice of legal research, equipping them with essential knowledge, skills, and strategies to undertake high-quality research projects in the field of law.
- Participants gained a deeper understanding of the research process, including conceptualization, design, data collection, analysis, and dissemination, enabling them to approach research endeavors with confidence, clarity, and professionalism.
- The interactive nature of the session facilitated engaging discussions, knowledge exchange, and peer learning, fostering a collaborative and intellectually stimulating environment conducive to academic and professional growth.
- Participants expressed appreciation for the comprehensive coverage of legal research topics, insightful reflections from the speaker, and practical guidance offered during the session, highlighting its value in enhancing their research capabilities and scholarly pursuits.

Conclusion:

The guest lecture on Legal Research: Some Reflections, delivered by Prof. (Dr.) Ravi Mor and organized by GHRUS under the coordination of Dr. Deepak Taywade, proved to be an enriching and enlightening experience for participants. The session exemplified GHRUS's commitment to promoting research excellence, intellectual inquiry, and scholarly engagement in the field of law, inspiring participants to embark on their research journeys with passion, purpose, and precision.

Communication Skill

Guest Lecture on "Vocabulary: Demystified"

Date: 07/11/2023

Event Name: Vocabulary: Demystified

Speaker: Mr. Hitesh Dewani

Organizer: SOL, GHRUS

Coordinator: Prof. Sonika Dewani Gwalani

Introduction:

On 7th November 2023, GHRLC & GHRUS organized a guest lecture titled "Vocabulary: Demystified," featuring Mr. Hitesh Dewani as the esteemed speaker. The lecture aimed to provide attendees with insights into the nuances of vocabulary, its importance in effective communication, and strategies for enhancing one's vocabulary skills.

Key Highlights:

- **Expert Speaker:** Mr. Hitesh Dewani, a renowned linguist and communication expert, delivered an enlightening session on unraveling the complexities of vocabulary. With his vast knowledge and engaging presentation style, Mr. Dewani captivated the audience and provided valuable insights into the intricacies of language.
- **Understanding Vocabulary:** The lecture commenced with an exploration of the significance of vocabulary in language proficiency and communication effectiveness. Mr. Dewani elucidated various aspects of vocabulary, including word origins, meanings, usage, and context, enlightening attendees on the diverse dimensions of language.
- **Practical Tips and Techniques:** Throughout the session, Mr. Dewani shared practical tips and techniques for expanding and enriching one's vocabulary repertoire. Attendees learned about mnemonic devices, word association methods, reading strategies, and vocabulary-building exercises to enhance their linguistic skills and expressiveness.

- **Interactive Engagement:** The lecture fostered interactive engagement, with attendees actively participating in discussions, exercises, and Q&A sessions. Mr. Dewani encouraged audience involvement, soliciting their input, questions, and reflections, thereby creating a dynamic and participatory learning environment.
- **Application to Professional Contexts:** An emphasis was placed on the relevance of vocabulary development in professional settings, such as legal practice, academic pursuits, and public speaking engagements. Attendees gained insights into leveraging vocabulary effectively to articulate ideas, persuade audiences, and convey complex concepts with clarity and precision.
- **Networking Opportunities:** The event provided attendees with networking opportunities, allowing them to connect with peers, faculty members, and industry professionals interested in language, communication, and professional development. Participants exchanged ideas, experiences, and contact information, fostering a sense of community and collaboration. The guest lecture on "Vocabulary: Demystified," featuring Mr. Hitesh Dewani as the speaker, proved to be a highly informative and enriching experience for attendees. Through his expertise, engaging presentation style, and interactive approach, Mr. Dewani succeeded in demystifying vocabulary and empowering participants with practical skills and knowledge to enhance their linguistic proficiency and communication effectiveness. The event exemplified GHRLC & GHRUS's commitment to providing holistic education and fostering lifelong learning opportunities for students and professionals alike

Activities Conducted Under Continuing Education 2023-24

Legal Aid Awareness Programme Report: Understanding the POCSO Act

Date: 27/07/2023

Event: Legal Aid Awareness Programme on POCSO Act

Presenter: Shri Anilkumar Sharma

Organized By: SOL, GHRUS

Coordinator: Mrs. Kirti Rathod

Overview:

On 27th July 2023, GHRLC & GHRUS organized a Legal Aid Awareness Programme focused on educating participants about the Protection of Children from Sexual Offences (POCSO) Act. The event aimed to raise awareness about the legal provisions and safeguards provided under the POCSO Act to prevent and address sexual offenses against children. Shri Anilkumar Sharma, a legal expert in the field, led the session and provided valuable insights into the Act's provisions and implementation.

Key Highlights:

- **Introduction to POCSO Act:** The programme commenced with an introduction to the POCSO Act, highlighting its significance in protecting children from sexual abuse and exploitation. Shri Anilkumar Sharma provided an overview of the Act's objectives, scope, and key provisions.

- **Legal Provisions:** The session focused on elucidating the legal provisions of the POCSO Act, including definitions of sexual offenses against children, punishment for offenders, reporting mechanisms, and procedures for handling cases of child sexual abuse.
- **Rights of Victims:** Participants gained insights into the rights of child victims under the POCSO Act, such as the right to privacy, confidentiality, protection, and support during the legal process. Emphasis was placed on the importance of sensitive handling and victim-centric approach in addressing cases of child sexual abuse.
- **Reporting Mechanisms:** Shri Anilkumar Sharma explained the procedures for reporting incidents of child sexual abuse under the POCSO Act, including the role of law enforcement agencies, Child Welfare Committees (CWCs), and Special Juvenile Police Units (SJPU).
- **Role of Stakeholders:** The programme underscored the collaborative efforts required from various stakeholders, including legal professionals, child welfare agencies, educators, and communities, to effectively implement the provisions of the POCSO Act and ensure the safety and well-being of children.
- **Interactive Discussion:** The session concluded with an interactive discussion where participants had the opportunity to ask questions, seek clarification on specific provisions of the POCSO Act, and engage in meaningful dialogue with Shri Anilkumar Sharma.

Impact:

- The Legal Aid Awareness Programme on the POCSO Act served as a platform for disseminating vital information and raising awareness about the legal framework for protecting children from sexual offenses.
- Participants gained a better understanding of the legal provisions and safeguards available under the POCSO Act, empowering them to recognize and respond effectively to cases of child sexual abuse.
- The programme facilitated discussions on the role of various stakeholders in preventing and addressing child sexual abuse, fostering a sense of collective responsibility and commitment towards safeguarding children's rights and dignity.

Conclusion:

The Legal Aid Awareness Programme on the POCSO Act organized by GHRLC & GHRUS under the guidance of Mrs. Kirti Rathod was instrumental in promoting awareness and understanding of the legal framework for combating child sexual abuse. By equipping participants with knowledge and resources to address this critical issue, the programme contributed to creating a safer and more protective environment for children in society.

Activities Conducted Under Continuing Education 2023-24

Women's Week Celebration Report: Promoting Gender Equality and Women's Empowerment

Date: 25/08/2023

Event: Women's Week Celebration - Women's Equality Week Celebration

Guest Speakers: Adv. Ashita Vastani, Adv. Sudhanshu Rotkar

Organized By: SOL, GHRUS

Coordinator: Mrs. Pinky Churad

Overview:

On 25th August 2023, GHRLC organized a Women's Week Celebration to commemorate Women's Equality Week. The event aimed to celebrate the achievements of women, promote gender equality, and advocate for women's empowerment in society. Distinguished guest speakers, Adv. Ashita Vastani and Adv. Sudhanshu Rotkar, shared their insights and experiences on the importance of gender equality and the role of law in advancing women's rights.

Key Highlights:

- **Welcome Address:** The event began with a warm welcome address by Mrs. Pinky Churad, the coordinator, who emphasized the significance of Women's Equality Week and the importance of promoting gender equality and women's empowerment.
- **Guest Speaker Sessions:** Adv. Ashita Vastani and Adv. Sudhanshu Rotkar delivered inspiring and thought-provoking speeches on various aspects of gender equality, women's rights, and legal interventions to address gender-based discrimination and violence.
- **Empowerment Through Law:** Adv. Ashita Vastani discussed the legal frameworks and initiatives aimed at promoting gender equality and protecting women's rights, including laws related to gender-based violence, workplace discrimination, and women's access to justice.
- **Challenges and Solutions:** Adv. Sudhanshu Rotkar highlighted the challenges faced by women in different spheres of life and proposed solutions to overcome gender disparities, such as promoting education, economic empowerment, and creating supportive legal mechanisms.
- **Interactive Discussion:** The event provided an opportunity for attendees to engage in an interactive discussion with the guest speakers, share their perspectives, and exchange

ideas on strategies to advance gender equality and women's empowerment in the legal profession and society.

- Closing Remarks: Mrs. Pinky Churad delivered closing remarks, expressing gratitude to the guest speakers, participants, and organizers for their contributions to the event and reaffirming GHRLC's commitment to promoting gender equality and women's rights.

Impact:

- The Women's Week Celebration served as a platform to raise awareness about the importance of gender equality and women's empowerment, inspiring attendees to take proactive steps towards promoting women's rights in their respective roles and communities.
- The insights shared by the guest speakers enriched participants' understanding of the legal frameworks and strategies for addressing gender-based discrimination and violence, empowering them to advocate for positive change and inclusive practices.
- The event fostered networking and collaboration among legal professionals, students, and advocates committed to advancing gender equality, paving the way for future initiatives and partnerships in support of women's rights.

Conclusion:

The Women's Week Celebration organized by GHRLC under the leadership of Mrs. Pinky Churad was a resounding success, reaffirming the importance of collective action and solidarity in advancing gender equality and women's empowerment. Through meaningful discussions, insights, and reflections, the event contributed to building a more inclusive and equitable society where every woman has the opportunity to thrive and fulfill her potential.

Internship Orientation at High Court Legal Sub Committee

Date: 02/09/2023

Event: Orientation on Internship at High Court Legal Sub Committee

Organized By: SOL, GHRUS

Coordinator: Mrs. Kirti Rathod

Guest Speaker: Shri Anilkumar Sharma

Objective:

The orientation session aimed to familiarize students with the internship program at the High Court Legal Sub Committee (HCLSC), providing them with essential information, guidelines, and insights to enhance their internship experience and professional development.

Key Highlights:

- Welcome Address: Mrs. Kirti Rathod, the coordinator, commenced the session by extending a warm welcome to all participants and introducing the guest speaker, Shri Anilkumar Sharma.
- Overview of HCLSC Internship: Shri Anilkumar Sharma provided an overview of the internship program at the High Court Legal Sub Committee, highlighting its objectives, structure, and opportunities for hands-on learning and skill development.
- Internship Guidelines: The guest speaker outlined the key guidelines, expectations, and responsibilities of interns during their tenure at HCLSC, emphasizing professionalism, integrity, and commitment to legal research and assistance.
- Roles and Responsibilities: Students were briefed about the various tasks and projects they would be assigned during the internship, including legal research, drafting documents, case analysis, and client interactions under the supervision of experienced mentors.
- Professional Development: Shri Anilkumar Sharma shared valuable insights and tips for maximizing the internship experience, such as seeking feedback, networking with legal professionals, and actively participating in courtroom proceedings and legal discussions.
- Q&A Session: The orientation concluded with an interactive Q&A session, allowing students to seek clarification on internship-related queries, procedural aspects, and expectations from the internship program.

Impact:

- The orientation session provided students with a comprehensive understanding of the internship program at HCLSC, enabling them to approach their internship with clarity, confidence, and preparedness.
- Participants gained insights into the practical aspects of legal practice, honing their research, drafting, and communication skills through hands-on experience and mentorship.
- The session facilitated networking opportunities and fostered a sense of professional engagement and responsibility among students, preparing them for a successful and enriching internship journey at HCLSC.

Conclusion:

The Orientation on Internship at High Court Legal Sub Committee organized by GHRLC & GHRUS under the guidance of Mrs. Kirti Rathod and with the valuable insights shared by Shri Anilkumar Sharma was instrumental in equipping students with the knowledge, skills, and confidence to embark on their internship journey with enthusiasm and professionalism. The event set the stage for a fruitful and rewarding experience, fostering the growth and development of future legal professionals.

Activities Conducted Under Continuing Education 2023-24

Investors Awareness Programme Report

Date: 17/10/2023

Event: Investors Awareness Programme

Organized By: SOL, GHRUS

Coordinators: Mrs. Pinky Churad and Mrs. Simran Naidu

Objective:

The Investors Awareness Programme aimed to educate participants about various aspects of investment, financial planning, and risk management, empowering them to make informed decisions and safeguard their financial interests effectively.

Key Highlights:

- **Expert Insights:** The programme featured expert speakers and industry professionals who shared valuable insights, expertise, and practical guidance on investment strategies, market trends, and risk mitigation techniques.
- **Educational Workshops:** Interactive workshops and presentations were conducted to elucidate fundamental concepts of investment, including asset allocation, portfolio diversification, risk assessment, and financial goal setting, catering to participants' diverse knowledge levels and interests.
- **Case Studies and Best Practices:** Real-life case studies, success stories, and best practices were discussed to illustrate the application of investment principles in different scenarios, offering practical guidance and actionable advice to participants.
- **Q&A Sessions:** Participants engaged in lively Q&A sessions with the speakers, seeking clarification on investment-related queries, addressing specific concerns, and receiving personalized guidance tailored to their individual financial goals and risk appetite.
- **Resource Materials:** Comprehensive resource materials, including handouts, brochures, and reference guides, were distributed to participants, serving as valuable takeaways for further study and reference, enabling them to continue their learning journey beyond the programme.
- **Networking Opportunities:** The programme provided a conducive environment for networking and knowledge sharing among participants, fostering peer-to-peer interactions,

collaborative learning, and the exchange of ideas and experiences in the field of investment and finance.

Impact:

- The Investors Awareness Programme served as a catalyst for enhancing financial literacy and promoting responsible investment practices among participants, empowering them to make informed decisions and navigate the complexities of the financial markets effectively.
- Participants gained valuable insights into the principles of investment, risk management strategies, and wealth creation techniques, equipping them with the knowledge and skills necessary to build and safeguard their financial portfolios proactively.
- The programme facilitated constructive dialogue and knowledge exchange among industry experts, practitioners, and participants, fostering a culture of learning, collaboration, and continuous improvement in the realm of investment and finance.
- Participants expressed appreciation for the informative sessions, interactive workshops, and practical guidance provided during the programme, highlighting its role in enhancing their confidence, competence, and financial well-being.

Conclusion:

The Investors Awareness Programme organized by GHRUS, under the able coordination of Mrs. Pinky Churad and Mrs. Simran Naidu, proved to be a resounding success, imparting valuable knowledge, insights, and skills to participants, and empowering them to make informed investment decisions and achieve their financial goals effectively. The programme exemplified the commitment of GHRUS towards promoting financial literacy, fostering investor education, and empowering individuals to take charge of their financial futures.

Activities Conducted Under Continuing Education 2023-24

Event Report: Chandrayaan-3 Maha Quiz

Date: 30/10/2023

Event Name: Chandrayaan-3 Maha Quiz

Organizer: SOL, GHRUS

Coordinator: Mrs. Simran Naidu

Objective:

The Chandrayaan-3 Maha Quiz aimed to promote academic excellence, intellectual curiosity, and teamwork among participants while fostering a spirit of competition and camaraderie. The event provided an opportunity for students to showcase their knowledge, problem-solving skills, and quick thinking in a fun and engaging quiz format.

Key Highlights:

- **Quiz Format:** The Chandrayan-3 Maha Quiz featured a series of rounds encompassing a wide range of topics, including general knowledge, current affairs, science, technology, history, and culture. The quiz format included multiple-choice questions, audio-visual rounds, and rapid-fire segments, ensuring diversity and excitement.
- **Team Participation:** Participants formed teams comprising members from diverse academic backgrounds and interests, encouraging collaboration, teamwork, and mutual support. The team-based format promoted collective problem-solving and strategic thinking, fostering a sense of unity and cohesion among participants.
- **Quizmaster:** The quiz was conducted by an experienced quizmaster proficient in engaging and entertaining audiences while maintaining the integrity and fairness of the competition. The quizmaster's dynamic presentation style, humor, and enthusiasm added to the excitement and energy of the event, keeping participants thoroughly engaged throughout.
- **Prizes and Recognition:** The event offered attractive prizes and recognition to top-performing teams, motivating participants to strive for excellence and giving them a sense of achievement and pride in their accomplishments. Prizes included certificates of merit, trophies, and tokens of appreciation, reinforcing the value of academic achievement and competitive spirit.
- **Audience Interaction:** The quiz encouraged active participation from the audience, allowing spectators to test their knowledge, contribute answers, and cheer for their favorite teams. Audience engagement activities, such as audience polls and trivia questions, added an interactive element to the event, enhancing the overall experience for attendees.
- **Spirit of Sportsmanship:** Throughout the competition, participants exhibited sportsmanship, mutual respect, and grace under pressure, reflecting the spirit of healthy competition and camaraderie. Teams supported each other, celebrated each other's successes, and demonstrated resilience and determination in the face of challenges, exemplifying the values of teamwork and cooperation.

Impact:

- The Chandrayan-3 Maha Quiz provided participants with a platform to showcase their intellectual prowess, collaborative skills, and competitive spirit in a stimulating and supportive environment.
- The event fostered a sense of community, belonging, and pride among participants, strengthening bonds and relationships within the academic community and beyond.
- Participants gained valuable insights, knowledge, and experiences from the quiz, enhancing their cognitive abilities, critical thinking skills, and general awareness across diverse subject areas.
- The quiz served as a memorable and enjoyable experience for all involved, leaving a lasting impression and inspiring participants to continue their pursuit of knowledge and excellence in future endeavors.

Conclusion:

The Chandrayan-3 Maha Quiz, organized by GHRUS under the coordination of Mrs. Simran Naidu, proved to be a resounding success, enriching participants with valuable learning experiences, fostering a sense of camaraderie and achievement, and promoting intellectual curiosity and academic excellence. The event exemplified GHRUS's commitment to holistic education, student engagement, and community building, leaving a positive impact on all participants and stakeholders involved.

Activities Conducted Under Continuing Education 2023-24**Event Report: Workshop on Women's Self-Defence**

Date: 07/11/2023

Event Name: Women's Self-Defence Workshop

Speaker: Dr. Chhaya S. Janbandhu

Organizer: SOL, GHRUS

Coordinator: Mrs. Hira Binekar

Introduction:

On November 7, 2023, GHRLC organized a workshop titled "Women's Self-Defence," led by renowned self-defence expert Dr. Chhaya S. Janbandhu. The workshop aimed to empower women with practical techniques and strategies for self-protection and personal safety.

Key Highlights:

- **Expert Guidance:** Dr. Chhaya S. Janbandhu, a seasoned self-defence instructor, conducted the workshop, drawing upon her extensive experience in martial arts and self-defence training. Her expertise and passion for empowering women were evident throughout the session.
- **Physical Techniques:** The workshop featured hands-on demonstrations and training sessions where participants learned fundamental self-defence techniques, including strikes, blocks, and escapes from various holds and grabs. Dr. Janbandhu emphasized the importance of mastering basic physical techniques for self-protection.
- **Awareness and Prevention:** In addition to physical techniques, Dr. Janbandhu emphasized the significance of situational awareness and risk assessment in preventing confrontational situations. Participants learned to recognize potential threats, assert boundaries, and de-escalate conflicts whenever possible.
- **Psychological Empowerment:** The workshop also addressed the psychological aspects of self-defence, focusing on confidence-building, assertiveness training, and the development of a resilient mindset. Dr. Janbandhu encouraged participants to cultivate self-belief and assert their right to personal safety.
- **Legal Rights and Resources:** Attendees were briefed on their legal rights regarding self-defence and the use of force in threatening situations. Additionally, resources such as helplines, support groups, and community services for survivors of violence were shared, empowering participants to seek assistance when needed.

- **Interactive Learning:** The workshop fostered interactive learning through group discussions, role-playing exercises, and scenario-based simulations. Participants actively engaged in skill-building activities, collaborated with peers, and shared their experiences and insights, creating a supportive and empowering learning environment.
- **Continued Support:** Following the workshop, participants were encouraged to continue their self-defence journey through regular practice, further training, and ongoing support networks. GHRLC committed to providing follow-up resources, workshops, and opportunities for continued skill development.

Activities Conducted Under Continuing Education 2023-24

Event Report: Swaad Fete 2024

Date: 02/03/2024

Event Name: Swaad Fete 2024

Organizers: SOL, GHRUS

Coordinator: Prof. Sonika Dewani Gwalani

Introduction:

Swaad Fete 2024, organized jointly by GHRLC and GHRUS, was a vibrant and joyous celebration of culture, cuisine, and camaraderie. Held on March 2, 2024, the event brought together students, faculty, and staff members for a day of food, fun, and festivity.

Key Highlights:

- **Cultural Extravaganza:** Swaad Fete showcased the rich diversity of Indian culture through a variety of performances, including traditional dances, music recitals, and skits. Students enthusiastically participated, presenting mesmerizing performances that captivated the audience and celebrated the cultural heritage of the nation.
- **Culinary Delights:** The highlight of Swaad Fete was undoubtedly the culinary extravaganza, featuring a delectable array of dishes representing different regions of India. From mouth-watering street food to sumptuous regional delicacies, the food stalls offered a gastronomic journey that delighted the taste buds of attendees.

- **Interactive Activities:** In addition to cultural performances and culinary delights, Swaad Fete offered a range of interactive activities and games for participants of all ages. From traditional games like tug-of-war and sack race to fun-filled quizzes and competitions, there was something for everyone to enjoy.
- **Community Engagement:** Swaad Fete fostered a sense of community and camaraderie among attendees, providing an opportunity for students, faculty, and staff members to come together, interact, and forge lasting friendships. The inclusive and welcoming atmosphere promoted unity and solidarity within the GHRLC and GHRUS community.
- **Student Involvement:** Students played a pivotal role in organizing and executing Swaad Fete, showcasing their creativity, leadership, and organizational skills. From event planning and decoration to managing food stalls and performances, students demonstrated their initiative and commitment to making the event a grand success.
- **Social Impact:** Beyond its entertainment value, Swaad Fete also had a social impact, raising awareness and funds for charitable causes. Donation drives, charity stalls, and awareness campaigns were organized, allowing attendees to contribute to meaningful initiatives and make a positive difference in society.

Activities Conducted Under Continuing Education 2023-24

T&P Workshop

Date: 27/03/2023 to 29/03/2023

Event Name: T&P Workshop

Organizers: SOL, GHRUS

Coordinator: Prof. Sonika Dewani Gwalani

Introduction:

The T&P (Training and Placement) Workshop organized by GHRLC and GHRUS aimed to equip students with essential skills and insights to enhance their employability and career prospects. Spanning three days from March 27 to March 29, 2023, the workshop provided a comprehensive platform for students to gain valuable knowledge and guidance in various aspects of professional development.

Key Highlights:

- **Expert Sessions:** The workshop featured expert sessions conducted by seasoned professionals and industry experts, covering a wide range of topics such as resume building, interview preparation, soft skills development, and career planning. The sessions provided invaluable insights and practical tips to help students navigate the job market effectively.
- **Interactive Workshops:** In addition to expert sessions, the workshop included interactive workshops and hands-on activities designed to hone students' skills and capabilities. From mock interviews and group discussions to personality development exercises and communication workshops, participants engaged in immersive learning experiences that empowered them for success.

- **Industry Insights:** The workshop offered students a unique opportunity to gain insights into various industries, sectors, and career paths. Through panel discussions, alumni interactions, and industry showcases, students received firsthand knowledge about industry trends, emerging opportunities, and the skills required to excel in their chosen fields.
- **Career Guidance:** A key focus of the workshop was to provide personalized career guidance and counseling to students, helping them chart out their career paths and make informed decisions about their future. Career advisors and mentors were available to offer one-on-one guidance, address career-related queries, and provide support and encouragement to students.
- **Networking Opportunities:** The T&P Workshop served as a networking hub, bringing together students, faculty, alumni, and industry professionals. Networking sessions, alumni meets, and industry connect events facilitated meaningful interactions and networking opportunities, enabling students to expand their professional network and build valuable connections.
- **Placement Assistance:** As part of the workshop, placement assistance and support services were provided to students, including job postings, internship opportunities, and recruitment drives conducted by leading companies and organizations. The workshop played a crucial role in bridging the gap between academia and industry, facilitating placements and internships for aspiring professionals.

Conclusion:

The T&P Workshop organized by GHRLC and GHRUS was a resounding success, empowering students with the knowledge, skills, and confidence needed to embark on successful careers. Through its comprehensive curriculum, expert guidance, and practical approach, the workshop contributed significantly to the professional development and employability of students, preparing them to thrive in today's competitive job market.

Workshop

Legal Awareness Programme

Date: 16/09/2023

Event Name: Session on Bail and Victim Compensation

Location: SOL, GHRUS

Organizer: Prof. Kirti Rathod

Guest Speaker: Shri Anil Kumar Sharma

Introduction:

On September 16, 2023, a comprehensive legal awareness programme was conducted at GHRU, focusing on two crucial legal aspects: bail procedures and victim compensation. The session aimed to educate participants about their rights and entitlements concerning bail applications and victim compensation schemes, thereby promoting legal literacy and awareness among the attendees.

Key Highlights:

- **Bail Procedures:** Shri Anil Kumar Sharma, an esteemed legal expert, delivered an informative session on bail procedures, elucidating the legal provisions governing bail applications, conditions for grant or denial of bail, and the rights of the accused during bail proceedings. Participants gained insights into the intricacies of bail laws and procedures, empowering them to navigate the legal process effectively.
- **Victim Compensation:** The session also delved into the topic of victim compensation, highlighting the rights of crime victims to seek financial assistance and compensation under relevant legal frameworks. Shri Anil Kumar Sharma elaborated on the eligibility criteria, application procedures, and available remedies for victims seeking compensation, thereby raising awareness about victim rights and support mechanisms.
- **Interactive Discussions:** The programme facilitated interactive discussions and Q&A sessions, allowing participants to seek clarification on legal concepts, share their experiences, and engage in meaningful dialogue with the guest speaker. Through engaging interactions, attendees gained a deeper understanding of bail and victim compensation issues, fostering a conducive learning environment.
- **Empowerment and Awareness:** By disseminating crucial information about bail procedures and victim compensation schemes, the programme empowered participants with knowledge of their legal rights and remedies, enabling them to make informed decisions and assert their entitlements effectively. The session served as a platform for enhancing legal literacy, awareness, and advocacy among the attendees, thereby strengthening access to justice within the community.

Conclusion:

The session on bail procedures and victim compensation conducted at GHRLC & GHRU on September 16, 2023, proved to be a valuable initiative in promoting legal awareness and empowerment among participants. Through insightful presentations, interactive discussions, and expert guidance, the programme contributed to enhancing participants' understanding of key legal concepts and their rights in the criminal justice system.

Activities Conducted Under Continuing Education 2023-24**Extra-Curricular Activity****Legal Awareness Programme: Session on Anti-Ragging**

Date: August 19, 2023

Organizers: GHRU (Global Human Rights University)

Guest Speaker: Shri Anil Kumar Sharma

Organizer- SOL, GHRUS

Facilitator: Prof. Kirti Rathod

Introduction:

The Legal Awareness Programme organized by GHRU on August 19, 2023, was aimed at fostering awareness regarding anti-ragging laws and regulations. The session was conducted to enlighten participants about the legal implications of ragging and to advocate for a safe and respectful educational environment.

Key Objectives:

1. To elucidate the legal framework surrounding anti-ragging measures.
2. To raise awareness among students, faculty, and staff about the consequences of engaging in ragging activities.
3. To promote a culture of mutual respect and dignity within educational institutions.

Session Overview: The session commenced with an opening address by Prof. Kirti Rathod, emphasizing the importance of maintaining a zero-tolerance policy towards ragging. She underscored the significance of legal awareness in curbing this menace and creating a conducive learning environment.

Guest Speaker's Insights: Shri Anil Kumar Sharma, a distinguished legal expert, delivered an insightful discourse on the legal dimensions of ragging. He elaborated on the provisions of the Anti-Ragging Act and highlighted the responsibilities of educational institutions in preventing and addressing ragging incidents. Sharma emphasized the severe penalties for perpetrators and the duty of care owed by institutions to their students.

Interactive Discussion:

The session featured an interactive discussion where participants had the opportunity to pose questions and share their perspectives on the issue of ragging. Various scenarios were discussed to elucidate the nuances of identifying and addressing ragging instances effectively.

Conclusion:

In conclusion, the Legal Awareness Programme on Anti-Ragging served as a platform for disseminating crucial information and fostering dialogue on this pertinent issue. Participants gained valuable insights into the legal framework surrounding ragging and pledged to contribute to creating a safe and inclusive educational environment.

Guest Lecture**Learning & Development Program****Guest Lecture on Criminal and Forensic Psychology**

Date: October 28, 2023

Speaker: Adv. Adit Ved

Organizers: SOL, GHRUS

Coordinator: Ashlesha Chaoji

Introduction:

The Guest Lecture on Criminal and Forensic Psychology, held on October 28, 2023, provided valuable insights into the intersection of psychology and law. Adv. Adit Ved, an esteemed expert in the field, shared profound knowledge and practical experiences, enriching the understanding of attendees on critical aspects of criminal behavior and forensic psychology.

Objectives:

1. To explore the role of psychology in understanding criminal behavior.
2. To elucidate the application of forensic psychology in legal contexts.
3. To foster interdisciplinary dialogue between psychology and law.

Key Highlights:

1. **Understanding Criminal Minds:** Adv. Adit Ved delved into the complexities of criminal behavior, discussing psychological theories and factors contributing to criminality. He emphasized the importance of comprehending the motives and mindset of offenders in the legal process.
2. **Forensic Assessment and Profiling:** The lecture explored techniques used in forensic psychology for assessing and profiling individuals involved in criminal activities. Adv. Ved provided insights into the methods employed by forensic psychologists to aid law enforcement agencies and legal professionals.
3. **Psychological Interventions:** Attendees gained insights into the role of psychological interventions in the rehabilitation and reintegration of offenders into society. Adv. Ved highlighted the significance of addressing underlying psychological issues to prevent recidivism and promote social rehabilitation.
4. **Case Studies and Practical Applications:** The lecture included case studies and real-life examples to illustrate the practical applications of criminal and forensic psychology in legal proceedings. Attendees were engaged in analyzing various scenarios, enhancing their understanding of theoretical concepts.

Interactive Session:

An interactive Q&A session allowed attendees to engage with Adv. Adit Ved, posing questions and seeking clarifications on topics discussed during the lecture. This interactive exchange facilitated deeper exploration of key concepts and encouraged critical thinking among participants.

Conclusion:

The Guest Lecture on Criminal and Forensic Psychology provided a platform for interdisciplinary learning and knowledge exchange between psychology and law. Attendees gained valuable insights into the psychological underpinnings of criminal behavior and the application of forensic psychology in legal contexts.

Next Steps:

GHRLC & GHRUS reaffirmed their commitment to organizing further initiatives that promote interdisciplinary collaboration and advance understanding in areas intersecting law and psychology. Future plans include workshops, seminars, and research endeavors aimed at addressing emerging challenges in the field.

Acknowledgment:

GHRLC & GHRUS extend sincere appreciation to Adv. Adit Ved for his enlightening lecture and to all attendees for their active participation and engagement.

Activities Conducted Under Continuing Education 2023-24

Industrial Visit

Supreme Court Visit

Date: February 16 to 26 January, 2024

Organizer: SOL, GHRUS

Coordinator: Ms. Pooja Jain

Summary of Visit – 70 Students along with 4 faculty members from School of law, G.H. Raisonni University has visited to Supreme Court. In there, the structure and the sitting arrangements of the judges and its benches were explained and how the proceedings go on. We were informed that the Hon'ble Apex Court was at its fullest. The students were taken to the Judges Library where they were shown a documentary about how efficient and expeditious the working of the Hon'ble Court is. All the aspiring lawyers had the opportunity to be in the vicinity of the Hon'ble Apex Court which was in itself an overwhelming feeling.

Activities Conducted Under Continuing Education 2023-24

Industrial Visit

Central Jail Visit

Date: February 11, 2024

Visitor: Shri Vaibhav Aage

Organizer: SOL, GHRUS

Coordinator: Mrs. Simran Naidu

Introduction:

On February 11, 2024, Shri Vaibhav Aage, accompanied by a delegation from GHRUS, visited the Central Jail with the aim of gaining insights into the conditions of inmates and the functioning of the correctional system. The visit provided an opportunity to observe firsthand the challenges faced by incarcerated individuals and to explore avenues for promoting human rights within the criminal justice system.

Objectives:

1. To assess the living conditions and treatment of inmates in the Central Jail.
2. To engage with prison authorities and staff to understand the functioning of the correctional facility.
3. To identify areas for improvement and advocacy in line with human rights principles.

Key Observations:

1. **Living Conditions:** The delegation observed the living conditions of inmates, including accommodation, hygiene facilities, and access to basic amenities. Efforts were made to understand the challenges faced by inmates in their daily lives within the confines of the prison environment.
2. **Interaction with Inmates:** Shri Vaibhav Aage and the delegation engaged in conversations with inmates to hear their perspectives, concerns, and experiences. These interactions provided valuable insights into the impact of incarceration on individuals and the need for rehabilitative measures.
3. **Meetings with Authorities:** Meetings were held with prison authorities and staff to discuss various aspects of inmate welfare, rehabilitation programs, and adherence to human rights standards. Discussions focused on areas such as healthcare, education, vocational training, and reintegration into society upon release.

Challenges Identified:

1. **Overcrowding:** The delegation noted overcrowding as a significant challenge within the Central Jail, leading to issues related to sanitation, security, and access to resources.
2. **Rehabilitation Programs:** While some rehabilitation programs were in place, there was a need for enhanced access to education, vocational training, and mental health support for inmates.
3. **Legal Aid:** Limited access to legal aid and representation for inmates was identified as a concern, highlighting the importance of ensuring access to justice within the correctional system.

Recommendations:

1. **Advocacy for Improved Conditions:** GHRUS will advocate for measures to address overcrowding and improve living conditions within the Central Jail, including infrastructure upgrades and enhanced sanitation facilities.
2. **Expansion of Rehabilitation Services:** Efforts will be made to collaborate with authorities and NGOs to expand rehabilitation programs aimed at equipping inmates with skills and support for successful reintegration into society.
3. **Legal Aid Initiatives:** GHRUS will explore avenues for providing legal aid and assistance to inmates, including awareness campaigns, pro bono services, and partnerships with legal aid organizations.

Conclusion:

The Central Jail visit provided valuable insights into the challenges faced by inmates and the opportunities for promoting human rights within the correctional system. GHRUS remains committed to advocating for reforms and initiatives that uphold the dignity and rights of all individuals, including those in detention.

Activities Conducted Under Continuing Education 2023-24

Extra-Curricular Activity

Felicitation Programme for Internship at HCL SSC

Date: February 4, 2024

Organizers: SOL, GHRUS

Guest of Honor: Shri Anil Kumar Sharma

Coordinator: Prof. Kirti Rathod

Introduction:

On February 4, 2024, GHRLC and GHRUS organized a felicitation programme to honor individuals who completed their internship at HCLSSC (Humanitarian and Civil Liberties Support Services Centre). The event aimed to recognize the interns' dedication and contributions to advancing human rights through their work at HCLSSC.

Key Objectives:

1. To acknowledge and celebrate the successful completion of internships at HCLSSC.
2. To highlight the significance of practical experience in human rights advocacy and legal aid.
3. To inspire and encourage continued engagement in human rights initiatives.

Event Highlights:

1. **Welcome Address:** Prof. Kirti Rathod welcomed attendees and expressed gratitude to Shri Anil Kumar Sharma for gracing the occasion. She emphasized the importance of internships in providing practical exposure and nurturing future leaders in the field of human rights.
2. **Felicitation Ceremony:** Shri Anil Kumar Sharma presented certificates of appreciation to interns who completed their internship at HCLSSC. Each intern was recognized for their dedication, hard work, and valuable contributions to the organization's mission.
3. **Keynote Address:** Shri Anil Kumar Sharma delivered a keynote address, applauding the interns for their commitment to serving marginalized communities and promoting social justice. He shared insights from his own experiences in the field and encouraged the interns to continue their journey as advocates for human rights.
4. **Panel Discussion:** A panel discussion was held featuring alumni who had previously interned at HCLSSC. They shared their experiences, challenges faced, and lessons learned during their internship, providing valuable guidance to current interns and aspiring human rights advocates.
5. **Networking Session:** The event concluded with a networking session where interns had the opportunity to interact with Shri Anil Kumar Sharma, faculty members, alumni, and fellow interns. This informal gathering fostered connections and facilitated the exchange of ideas and experiences.

Impact and Reflections:

The felicitation programme served as a platform to celebrate the achievements of interns and inspire them to continue their journey as advocates for human rights. Attendees expressed gratitude for the opportunity to be part of such meaningful initiatives and pledged to remain committed to the cause of promoting social justice.

Future Endeavors:

GHRLC and GHRUS reaffirmed their commitment to providing opportunities for practical learning and engagement in human rights advocacy. Future collaborations with organizations like HCLSSC will continue to offer valuable experiences for students and professionals passionate about advancing human rights.

Co-Curricular Activity**Intra-University Youth Parliament**

Date: February 27, 2024

Organizers: SOL, GHRUS

Faculty Advisors:

1. Dr. Yugal Rayalu
2. Adv. Jhankruti Badani

Student Coordinators:

1. Miss Pranjali Bawane
2. Miss Pooja Jain

Introduction:

The Intra-University Youth Parliament, organized by GHRUS on February 27, 2024, provided a platform for students to engage in parliamentary debates and discussions on pressing social and human rights issues. Led by faculty advisors Dr. Yugal Rayalu and Adv. Jhankruti Badani, the event aimed to foster critical thinking, public speaking skills, and awareness of democratic processes among participants.

Key Highlights:

- **Debate Sessions:** The Youth Parliament featured lively debates on a range of topics related to human rights, social justice, and governance. Participants presented their viewpoints, engaged in rebuttals, and proposed solutions to address contemporary challenges.
- **Committee Discussions:** Students were divided into committees to deliberate on specific issues and draft resolutions. Under the guidance of faculty advisors, committees engaged in rigorous discussions, consensus-building, and the formulation of policy recommendations.
- **Role Play:** A simulated parliamentary session allowed students to assume roles as parliamentarians, ministers, and opposition members. This interactive exercise provided a hands-on experience of parliamentary procedures and democratic decision-making.

Outcome:

The Intra-University Youth Parliament proved to be a valuable learning experience for participants, fostering leadership skills, teamwork, and a deeper understanding of democratic principles. Students gained insights into the complexities of governance and policymaking while honing their communication and negotiation skills.

Future Initiatives:

GHRUS is committed to organizing more youth parliament events, providing students with opportunities for civic engagement, leadership development, and advocacy for human rights. Future initiatives will focus on expanding participation, promoting inclusivity, and addressing a diverse range of societal issues.

Acknowledgment:

GHRUS extends appreciation to Dr. Yugal Rayalu, Adv. Jhankruti Badani, Miss Pranjali Bawane, Miss Pooja Jain, and all participants for their enthusiasm and contributions to the success of the Intra-University Youth Parliament.

**Activities Conducted Under Continuing Education 2023-24****Co-Curricular Activity****Regional Conference on Mediation**

Date: February 11, 2024

Organizer: HIGH court of Bombay

District Legal Services Authority, Nagpur

Coordinator: Miss Pranjali Bawane

PARTICIPANTS: SOL, GHRUS

Introduction:

The Regional Conference on Mediation, organized by the District Legal Services Authority, Nagpur, in collaboration with GHRUS and GHRLC, convened on February 11, 2024. This conference served as a platform to promote the use of mediation as an effective alternative dispute resolution mechanism and to facilitate knowledge exchange among legal professionals, scholars, and practitioners.

Key Objectives:

1. To raise awareness about the benefits and principles of mediation in resolving legal disputes.
2. To share best practices and experiences in the field of mediation.
3. To explore innovative approaches to enhancing access to justice through mediation.

Event Highlights:

- **Inaugural Ceremony:** The conference commenced with an inaugural ceremony featuring remarks from dignitaries representing the District Legal Services Authority, Nagpur, and co-organizers GHRUS and GHRLC. The speakers emphasized the importance of mediation in reducing the burden on the judicial system and promoting timely and cost-effective resolution of disputes.
- **Panel Discussions:** Expert-led panel discussions were held on various aspects of mediation, including its role in family disputes, commercial matters, and community conflicts. Panelists shared insights from their practical experiences and engaged in dialogue on emerging trends and challenges in the field.
- **Workshops and Training Sessions:** Concurrent workshops and training sessions provided attendees with hands-on experience and skills development in mediation techniques, communication strategies, and conflict resolution methodologies. Participants had the opportunity to engage in role-playing exercises and case studies under the guidance of experienced mediators.
- **Networking Opportunities:** The conference facilitated networking and collaboration among legal professionals, academics, and practitioners interested in mediation. Informal networking sessions allowed participants to exchange ideas, build connections, and explore potential partnerships for future mediation initiatives.

Outcomes and Impact:

The Regional Conference on Mediation catalyzed discussions and collaborations aimed at advancing the practice of mediation in the region. Participants gained valuable insights into the theory and practice of mediation, acquired new skills and perspectives, and identified opportunities for further professional development and research.

Future Directions:

GHRUS and GHRLC are committed to continuing their collaboration with the District Legal Services Authority, Nagpur, and other stakeholders to promote mediation as a preferred method of dispute resolution. Future initiatives may include capacity-building programs, awareness campaigns, and research projects focused on enhancing access to justice through mediation.

Acknowledgment:

The organizers express their gratitude to Miss Pranjali Bawane for her coordination efforts, as well as to all participants, speakers, sponsors, and volunteers who contributed to the success of the Regional Conference on Mediation.
