Activity Report

Activity Conducted at School of Nursing		
1	Name of the Department /Club	School of Nursing
2	Name of the Event	World Health Day
3	Venue	Civil Hospital Pandhurna
4	Date and Time	07/04/2025 & 11.00AM
5	Resource Person (if Applicable)	
6	Objectives of the Event	<p>1. Promote Awareness on Maternal and New-born Health: The event aimed to raise awareness about the importance of maternal and newborn health, focusing on how healthy pregnancies and early care for newborns can shape a child's future health and development.</p> <p>2. Educate on Preventive Measures for Maternal and Infant Health: The objective was to educate both staff and patients about preventive measures that can reduce the risks during pregnancy and childbirth, such as proper nutrition, regular check-ups, and safe delivery practices.</p> <p>3. Highlight the Importance of Prenatal and Postnatal Care: The event aimed to stress the significance of receiving proper prenatal and postnatal care to ensure the well-being of both mothers and newborns, and to prevent complications during pregnancy and after childbirth.</p>

		<p>4. Encourage Community Involvement in Maternal Health: The event aimed to engage the hospital staff and patients in discussions about community support for maternal and newborn health, encouraging participation in initiatives that can improve health outcomes in the region.</p> <p>5. Provide Educational Resources and Support: The event sought to provide practical resources, advice, and support to pregnant women and their families, helping them navigate the challenges associated with childbirth and early motherhood.</p>
7	Outcome of the Event	<p>Below are the key outcomes of the event:</p> <p>1. Increased Knowledge of Maternal and Newborn Health: The health talk significantly increased awareness about critical aspects of maternal and newborn care, including the importance of early prenatal care, nutrition during pregnancy, and the need for immunization and health screenings for newborns.</p> <p>2. Positive Behavioral Change in Health Practices: Many attendees expressed their commitment to improving their health practices, including seeking regular prenatal check-ups, improving nutrition, and ensuring timely vaccinations for newborns.</p> <p>3. Enhanced Engagement and Dialogue Among Patients and Staff: The event facilitated open</p>
